HOSTAGE RESCUE

For certified SWAT/SRT personnel

November 26-30, 2018

Fort Lauderdale, FL

\$500/student *

*Students must bring ammo and kit. Required munitions and equipment will be sent upon registration.

This advanced level curriculum focuses on the law enforcement tactical response for a variety of hostage situations. From domestic violence to domestic terrorism, the program will explore team-based resolutions to critical incidents while holding individuals accountable for performance shooting, proper mindset and decision-making.

As the curriculum is rooted in team-based tactics, we highly recommend that at least two team representatives enroll in the program together.
