ROAD TO
JERUSALEM

EXIT

The Cuppa Before the Storm

Villers-Bocage, 9:00 am, 13 June, 1944

"When the head of the column reached the town... the troops received a warm welcome... Some cafés and shops opened for business and elements were... able to trade for some fresh produce....

Perhaps lulled by the welcome and lack of enemy activity, the Brigade troops had one or two cups of tea.

Daniel Taylor,

The Cuppa Before the Storm
Loyd Carrier with OQF 6pdr AT Gun
Villers-Bocage along National Route 175
