**Come check out this like new 2012 Carolina Skiff 16 JVX with a low hour Suzuki 60 four-stroke! Ready for island hopping, fishing, floundering, or even netting with its flat bow. This boat packs a lot of features in a small package with a 2 live wells, bimini top, cooler, GPS/fish finder. Motor was just recently serviced. Ready to hit the water today!! **BRING OFFERS!!!!****

Of all the Carolina Skiff series, the JVX is considered the king of versatility. Not only does the JVX come in three different sizes (16-, 18, and 20-foot models) but it's also available in two different control points (center console and side console), providing 12 different models to choose from.

Creating even more versatility is the fact that each JVX model is built on our modified-V hull, which is 100 percent composite and wood free. Capable of running over flats to fish shallow, the JVX also has the guts to run across choppy bays and on the outside beaches when called upon. The JVX comes standard with a pre-wired trolling motor plug, full instrumentation and livewell. You can continue to add more versatility with options like a Bimini on this model.

We are a full service boat brokerage for Cedar Point, Morehead City, the Crystal Coast and the Eastern US.
