Clubhouse and Pool

Because nothing is more important than the safety of our residents and keeping our property values up, we will be installing video cameras outside the clubhouse and pool. The monthly fees are negatable compared to the increased violations and vandalism.

Stray Animals

We seem to have increase of stray cats in the neighborhood. We will be contacting West Jordan Animal Control to resolve this issue. All pets need to follow the CC&R rules so, if you are allowing your cat to roam free you will want to discontinue this.

Keeping our Children Safe

- You all know how important sunscreen is, but did you know that it expires? A good rule of thumb is to use the sunscreen in the same season that you bought it, then toss it.
- Swallowing a lot of pool water can cause electrolytes imbalance by altering the salt to water ratio. This can lead to vomiting, lethargy, and, in extreme cases, seizures.
- Bee sting? Make a paste of meat tenderizer (the non-flavored kind) and water and rub it on the sting. It will help break down the toxins quickly.
- A popsicle makes a great ice pack for "owies" in or on the mouth.

Make sure to check out our website. You can access the rules, minutes, contact information and the clubhouse reservation calendar!

We love new neighbors! If you see someone moving into our community, please be kind and inform them not to park on the street from 12am – 6am. We don't want their new life here to start with a tow or boot on their car! Thank you!
