### Moving

Imagine you are painting dots  
and lines. Move to music that  
has short and long sounds.

### Listening

Camille Saint-Saëns composed a collection  
of pieces called **Carnival of the Animals**.  
Listen to and compare “The Swan” and  
“Fossils.”

### Playing

Play dot and line patterns  
with real instruments or  
make your own.

### Connections

Science: You can learn a bit about  
swans and fossils by watching  
these videos!
