**Over the Counter Medication  
For Your Child**

Covington Academy does not provide over the counter medication for student use. If you would like to have over the counter medication (ex: Ibuprofen, cough drops, allergy medication) available for your child, please provide medication in the original container placed inside a ziploc bag with your child's first and last name. Please include any specific instructions for medication on a notecard and place inside of ziploc bag. Medication must be dropped off at our front desk by a parent/guardian. Students will not be permitted to bring in their own medication. In the event that a student needs medication, he or she will be required to visit our front desk where medication will be held by CA personnel at all times.

**Additional Information**

- Each student will be given their own personal caddy for their daily in class supplies; no need for a pencil box. *Supplies will not be shared between students.*
- If you want to bring more than a daily use of snacks or water for your student, a plastic bin is also provided in the classroom for each child. Please note that water fountains and refill water stations will not be available. We recommend extra bottles of water to be stored in your student's snack bin at all times.
