## Discovery EDUCATION™

Take your students beyond the classroom walls and into some of the world's most iconic locations for rich and immersive learning experiences — no permission slips required. Tour the National Archives, see how an egg farm works, explore NASA's Goddard Space Flight Center, or hear from the President of the United States. Discovery Education Virtual Field Trips are fun, educational, and free!

Check out some of our featured and upcoming Virtual Field Trips below or browse the full archive by category. For a complete list of Virtual Field Trips coming up, check out the [Discovery Education Events Calendar](#).

Browse by Subject, grade level or theme.

## FEATURED IDEA OF THE MONTH

The Bubble Timer is a beautiful display of physics, surface tension, and geometry! Just turn it over to watch the colored liquid displace the air in the bottom bulb, creating more geometric bubbles...
