December 2018

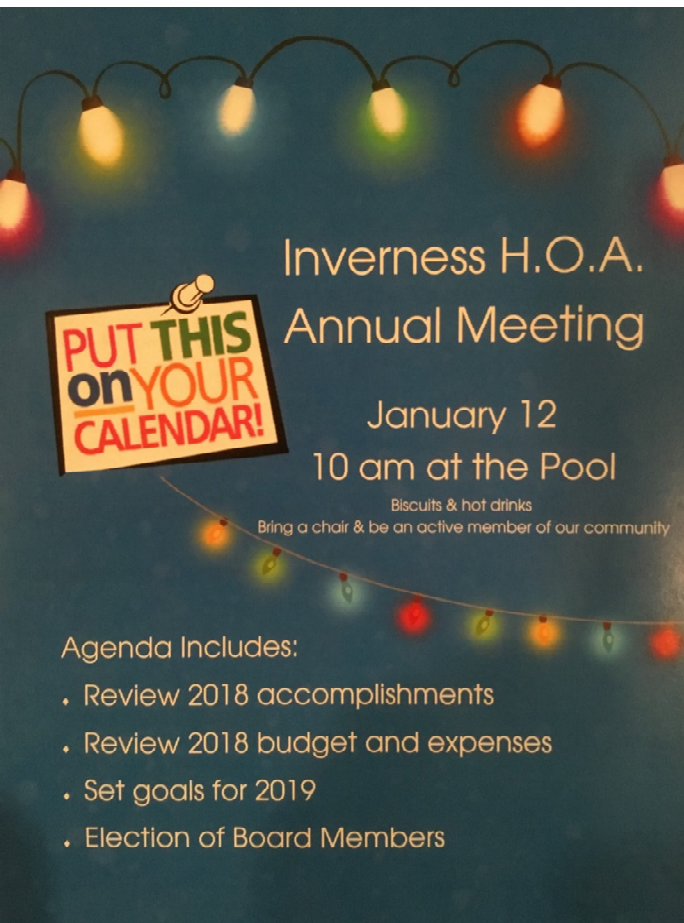

Your Board at Work

- During the last two months, the tree over the pool was trimmed so that it didn't hang down too low. In addition, two pine trees were removed close to the tennis courts because the roots were pushing against the cement block wall and would eventually cause it to break and fall.
- South Alabama electric fixed or replaced lighting at our entrance and over the pool area.
- Repairs were made on bathrooms at the pool area.
- We had several events, including our annual garage sale (about 15 neighbors participated!) and the October Front Porch Friday, which was an amazing Oktoberfest. Thanks to everyone who participated and who offered their porches!!!

Your Board at Work

- Our security system was used to keep an eye on our neighborhood after the shooting event near Hillcrest and Cottage Hill on October 9th. As always, we encourage you to know your neighbors around you well enough that you would recognize if something is unusual at their houses. Know their names, phone numbers and pets names. You could be the one that makes a difference in an emergency!
- Please remember that *all dogs must be on a leash*. This is a City of Mobile law and you can be fined for non-compliance. If you are walking a dog and see loose dogs, please try to avoid them for your animal's safety and call animal control at 251-574-3647. If you are attacked by dogs call 911.

Annual Meeting!!

- The Inverness HOA annual meeting will be on **Saturday, January 12** at 10:00am at the pool area. We will review the accomplishments and 2018 budget as well as elect new board members and officers.
- Biscuits and hot drinks will be provided.

Breakfast with Santa

Dec. 8, 9:00 - 10:00am at the pool

(Actual weather conditions not depicted!!)

Yards of the Month

September:

6624 Apple Cross Dr N

Pets of the Month

Pepper Dodsworth

A feisty calico, Pepper enjoys meowing incessantly 15 minutes before her people need to wake up. However, she also enjoys giving snuggles, especially during winter nights.

If there's anything you'd like included in a future edition of *Invernews*, or if you'd like to include your animals as *Pets of the Month*, please contact Chris Dodsworth at: cdodsworth@shc.edu
