

Marine Corps League National Scholarship Preliminarily Approved 2022 Recipients

The preliminarily approved applications for 2022 are identified in the following list. (Note: If you applied for the Marine Corps League National Scholarship and your name is not on this list, you may send an email inquiry to the Scholarship Committee at: scholarship@mcleague.org).

The amount of the Scholarship Award will not be determined until these applicants complete the final steps for approval. Applicants on this list must complete the following two steps in order to qualify for Final Approval and receive the Award.

1. Submit the completed **STUDENT DATA SHEET** to the address indicated on the form. The form must be postmarked no later than **September 26, 2022**. The Marine Corps League Foundation sends the award checks directly to the school. This form provides specific mailing information to ensure that the award check reaches the appropriate department so the funds can be deposited into the correct student account. The applicant should confirm the mailing address information with the school. It may be mailed to the Scholarship Committee separately from the Proof of Enrollment Letter.
2. Submit the **PROOF OF ENROLLMENT LETTER** from the accredited undergraduate College / University. (Note: This is not a class schedule or a form indicating your initial enrollment in a class. Most schools will not issue the Proof of Enrollment until after the last day to Add or Drop classes without penalty. The official enrollment letter must state that you are a full-time student enrolled with a minimum of 12 semester hours starting the Fall Semester of 2022. This confirmation letter should be sent to the address below, postmarked no later than **September 25, 2022**:

C. Michael Rainbolt

107 Lowell Drive

Marlton, NJ 08053-5595

Once these forms are received by the Scholarship Committee, the information will be submitted to the Marine Corps League Foundation. The Foundation Board will then determine the amount of the Award and will mail the checks directly to your College/University for deposit into the student's account. All award checks not cashed within 90 days of issuance will be identified and a Stop Payment Notice will be issued.

If there are delays in school schedules due to the significant weather issues which affect the above timelines, a notice will be posted on the Marine Corps League Member Library website.
