

Solemnity of The Most Holy Body & Blood of Christ

June 13/14, 2020

CHRIST DWELLING WITHIN US

This Sunday we celebrate a second solemnity during this period of Ordinary Time in the liturgical calendar. Today is the Solemnity of the Most Holy Body and Blood of Christ. This day was once called Corpus Christi, which is Latin for “Body of Christ.” In the revised Lectionary the name for this day is expanded to reflect more completely our Eucharistic theology.

Today’s Gospel is taken from the Gospel according to John. The reading is part of a discourse between Jesus and a crowd of Jews. The discourse comes shortly after the miracle of Jesus’ multiplication of the loaves and fishes. In John’s Gospel, miracles such as this are identified as “signs” through which people come to believe that Jesus is the Son of God. These signs are followed by dialogue, or discourse that interprets and explains the miracle. In John’s Gospel, Jesus’ multiplication of the loaves is said to have occurred near Passover, thus linking it to the Exodus story and God’s saving action toward the Israelites.

Having seen Jesus multiply the loaves and fishes, the crowd pursues him, perhaps seeking more food but also looking for another sign. Jesus tells the crowd that he is the bread of life. He explains that just as God gave the Israelites manna to sustain them in the desert, so now God has sent new manna that will give eternal life. It is in this context that Jesus repeats those words in today’s Gospel and tells them again that he is the living bread that came down from heaven.

Jesus’ words are not well understood by the crowd; they argue that Jesus is not from heaven but born of Mary and Joseph. The crowd also has trouble understanding how Jesus could give them his flesh to eat. Jesus tells them that when they eat his flesh and drink his blood, they will remain forever connected to him. These are difficult words, but they are important because they seek to show us our intimate connection with Jesus.

This is the mystery that is at the heart of our Eucharistic theology. In the elements of bread and wine, Jesus’ Body and Blood are truly present. When we share in the Body and Blood of Christ, Jesus himself comes to dwell within us. This communion with the Lord makes us one body, brings us eternal life, and sends us forth to be Christ’s Body in the world.

Somebody sent me this, I thought of sharing with you.

Never have I seen such a mess in life.

The air is pure but wearing a mask is mandatory.

Roads are empty but it is impossible to go on long drive.

People have clean hands but there is a ban on shaking hands.

Friends have time to sit together but they cannot get together.

The cook inside you is crazy, but you cannot call anyone to lunch or dinner.

Every Monday, the heart longs for the office but the weekend does not seem to end.

Those who have money have no way to spend it.

Those who do not have money have no way to earn it.

There is enough time on hand, but you can not fulfill your dreams.

The culprit (Virus) is all around but cannot be seen.

So be positive but test negative.

STA UPDATES

The STA staff enthusiastically welcomed back students to the school last week. They were welcomed by administration who gave them a quick safety and health questionnaire, sanitized their hands then offered them a fresh and tasty treat from Harmony Donuts.

Monday we welcomed 76 grade 12 students,

Tuesday we had 39 grade 11 students in attendance,

Wednesday, 9 grade 10 students,

Thursday, 40 grade 9 students and on

Friday, 19 grade 8 students.

At the end of the day we sent them home with a freezie and an invitation to come back. We are hoping that our numbers will increase next week as it is the final week for classes to be in session.

It was an excellent start to reintegrating students into the building. Social distancing in the classroom was an easy achievement, during the breaks they enjoyed being together.

PROJECT ADVANCE

Project Advance has some key changes this year. Archdiocesan funding priorities from this year's Appeal will be directed to a newly established Crisis Response Fund, to help vulnerable individuals and families during this time of pandemic, alongside other ministries of evangelization and outreach. The Archdiocesan goal has been reduced to \$1.625 million and St. Edmund's target has been reduced from \$36,000 to \$18,000. The Appeal will officially launch in early June when past supporters can expect to receive a letter from the Archbishop.

IMPORTANT MESSAGE TO MEDITATORS

I will be online about 20/25 minutes before 7:00 PM to receive participants. If you have problems please call to my cell, but not beyond 6:55 PM – 604 789 7625. If you are in iPhone or MAC computer, please discuss with JoAnn Primeau 607 987 8556. If you are on a PC or Android phone or a land line, please contact me during the day at my cell 604 789 7625.

If you have been civilly married (not in Church) & would like to convalidate your marriage, please contact either Father Steny or the Parish Office by phone or email.

Guidelines for the Reopening of Masses with a Congregation

Preamble

The COVID-19 pandemic still presents a serious threat to physical health. Our provincial authorities, therefore, continue to discourage unnecessary activities outside the home; to call for physical distancing, frequent handwashing and appropriate use of masks; and to limit all public gatherings to no more than 50. At the same time, for us Catholics access to the Eucharist and the Church's full sacramental life is of the utmost importance to our spiritual well-being. For this reason, we are preparing to reopen our churches, in a limited way, for celebration of the Sacred Liturgy.

In order to prepare for the initial reopening of Masses with a congregation, these Guidelines have been prepared for the parishes in the Archdiocese of Vancouver. They are intended to assist pastors and parishioners in preparing for the public celebration of the Eucharist, giving lead-up time for consultation and planning with the Parish Pastoral Council (via Zoom), the recruitment of volunteers, the purchase of necessary products, etc. The Guidelines will remain in force until further notice or changes by the Province allow for or require revision. They are not intended to be permanent, but are a temporary response to the current coronavirus

pandemic. In the meantime, we must accept that resumption of public Mass does not mean a return to how we previously celebrated the Eucharist in our churches.

Liturgical Guidelines for the celebration of the Eucharist in the initial phase of reopening of Masses to the public will be published in a second document.

I. General Principles

1. The decision when to reopen for Masses with a congregation, no sooner than Saturday/Sunday, May 23/24, is left to the pastor's prudential judgment, due to the different circumstances of each parish. One parish may be unable to offer the same opportunities for Mass as a neighboring parish due to size, space limitations, underlying health condition of the pastor, etc.
2. After consultation with his Parish Pastoral Council and others concerned regarding Mass scheduling, cleaning, etc., the pastor will be responsible for the final decisions regarding the implementation of these Guidelines in his parish.
3. If a parish is unable for practical or other reasons to maintain strict physical distancing and perform the cleaning requirements as indicated in these Guidelines, the pastor must not resume Masses with a congregation or must limit them only to those for which he can follow these Guidelines.
4. Even though other parish activities are not governed by these Guidelines, they must always observe the directives of the provincial health authority, especially regarding physical distancing and sanitizing.
5. Social gatherings before or after Mass (including coffee and donuts) should not take place at this phase of reopening.
6. All the faithful in the Archdiocese of Vancouver remain dispensed from the obligation to attend Sunday Mass during this initial reopening phase. Furthermore, they are *not* required to attend a weekday Mass in place of the Sunday Liturgy.
7. All those attending Mass do so at their own risk. It is important for individuals and families to take responsibility for protecting themselves and others.
 - a. The following *must* stay home for the sake of the wider community:
 - i. People with COVID-19 or who live with someone with COVID-19.
 - ii. People who have been exposed to someone with COVID-19.
 - iii. The sick, including those with even the slightest symptoms or feelings of sickness, especially if with upper respiratory or flu-like symptoms.
 - iv. Those who have recently travelled outside of Canada.
 - b. The following are encouraged to stay home for the sake of the wider community:
 - i. People who live with someone with upper respiratory or flu-like symptoms.
 - ii. People, especially the elderly, with underlying or comprised medical conditions.
 - iii. Family members who live with elderly people or those who are at risk
8. A priest with a respiratory infection of any kind must *not* celebrate Mass publicly or administer the Sacraments. The same holds for other ministers who might serve at Mass (deacon, servers, lectors, choir, etc).
9. Masses may be scheduled with greater frequency, to allow for a greater variety of times available. Before increasing the number of Masses, it is advisable first to determine the number of parishioners who desire to attend Mass in person. In keeping with canon 905§2, all priests have permission to celebrate the Eucharist twice on weekdays and three times on Sundays. A "day" consists of 24 continuous hours beginning at midnight (cf. canon 202). The Saturday Vigil Mass does not therefore "count" as one of the three Masses permitted on Sunday. Celebrating any additional Masses requires the permission of the Archbishop.
10. If Mass is celebrated outside the church or is livestreamed on the parish campus, it should be in another suitable building (e.g., church, parish hall, school gym) that can be appropriately sanitized and other safety precautions can be observed.
11. If possible, livestreaming of Masses from parishes should continue as long as the dispensation from the obligation to attend Sunday Mass remains in force.
12. Resuming public Masses should take place in strict accord with all the health directives promulgated by the Province's health authorities regarding the number of people allowed at a gathering. The maximum number of 50 currently permitted includes the priest, liturgical ministers, musicians, livestream videographers and anyone else present during Mass.

II. Preparing Parishioners for Reopening

Communication

1. Pastors, in consultation with their Parish Pastoral Councils, parish staff and others concerned, must communicate clearly and effectively with their parishioners about their plans for when and how they will be resuming public Masses. Specifically, the communication must cover these areas:
 - a. How the parish will determine the 50-person maximum to attend a given Mass.
 - b. How the parish will ensure physical distancing.
 - c. The measures the parish will take to ensure proper sanitation.
2. The Mass schedule, if altered to allow more time between Masses for cleaning or to provide for additional Masses, should be published and the revised schedule sent to the Vicar General.

Determining the 50-Person Maximum

3. Parishioners will sign up to attend a specific Mass at a specific time on a regular basis. At the outset, priority should be given to the Elect, candidates for full communion, and those who assisted these groups. Aside from people with special needs, preferential treatment should be avoided. Among the possibilities for assigning parishioners are a rotation based on the first letter of last names; an online ticketing system; or the formation of fixed "community Mass groups."
4. Whatever method is used, a database record of the contact information of those who attend each Mass should be retained so that, in the case of an individual who tests positive for COVID-19, the parish will be able to assist public health officials with tracing by contacting everyone who may have been exposed.
5. A sign-up system is the simplest and recommended method for parishes to solicit the names of parishioners who wish to attend a regular Sunday Mass or Mass during the week. Depending on the method of sign-up chosen, the parishioners should be able to choose the Mass they prefer to attend insofar as this is possible.
6. Each "community Mass group" is assigned a regular Mass time on Sunday or a weekday. They may not attend at another time; nor should they sign up for more than one time until the cycle is ready to be repeated (which might be every one, two or three weeks depending on the number of parishioners). Multiple and easily accessible ways of sign-up should be employed. For example, through a combination of methods including online sign-ups, written sign-ups, email, and phone calls.
7. A "first-come, first-served" system, as well as exclusively online or email sign-up systems, should be avoided since restriction to these methods might exclude many who otherwise would wish to attend.

Volunteers

8. Many of a parish's most committed volunteers are particularly susceptible to the COVID-19 virus because of their age and other pre-existing health conditions. We have a "duty of care" to protect them from all undue harm.
9. Some parishes may be able to establish an early morning weekday Mass for older parishioners who insist on attending.
10. It is advisable to contact the Extraordinary Ministers of Holy Communion and others to let them know that it is understandable if they would like temporarily to withdraw from their ministry during the time of the pandemic.
11. The responsibilities of ushers and greeters will actually increase at this time. Such volunteers are the first point of contact for arriving parishioners. They need to be masked, identified by badges or other means, and able to interact with the faithful while still maintaining physical distancing. They should have to have a copy of a "check list" or other way of confirming that those arriving have signed up and that their contact information is available. Usher/greeters should offer hand-sanitizer (Spraying or squirting the disinfectant into people's hands). In some parishes, they may have to watch over an offering basket. They are also be responsible for pointing out available pews.

Physical Distancing

12. Except for members of the same household, physical distancing is to be observed everywhere on the church property (in the church, on the steps, in the parking lot, etc.); that is, close contact with those outside one's household must not be within two metres of another person.
13. People are not to gather in the vestibule or near the doors of the church before or after Mass. *If* the priest wishes to greet parishioners after Mass, physical distancing must be maintained and wearing a face mask should be considered.

Use of Masks

14. Use of face masks/coverings by parishioners at Mass and around the church is left to individual discretion, following the recommendations of provincial health authorities.
15. Consider having masks available for parishioners to be able to offer one to those who would like one.

III. Preparing the Church Building for Reopening

Signage

16. Signs should be placed on church doors to indicate the Mass schedule and provide a telephone number and email address for people wanting to attend Mass following the method determined by the pastor.
17. Physical distancing guidelines should be posted on the church doors and, if appropriate, elsewhere inside the church.

Entrances and Exits

18. At least one entrance should be open and accessible to the handicapped. If more than one entrance is open, care must be taken to control the overall number of people entering and to provide for their proper sanitation.
19. When possible, entrance and exit doors should be propped open as people enter/exit, so that the faithful need not touch the handles or doors to enter or exit.
20. When possible, multiple exits should be used at the end of Mass to expedite departure and minimize chances of people encountering one another.
21. Ushers stationed at the church entrance can monitor those who enter, reminding them of the requirement for physical distancing of two metres and for sanitizing their hands. Members of a single household may enter and exit together, since they do not need to practice physical distancing with each other.
22. Once the maximum of 50 persons in the church is reached, no one else may enter. People who simply show up for Mass must be turned away at the entrance. When capacity is reached, they may be directed to an overflow space, if one is available. Parishioners should also be provided with a way to contact the parish, so that they can make the necessary arrangements to be included at a future Mass.

Seating

23. Restrict seating to every second or third pew (or row of seats) to maintain physical distancing. Seats which can be used should be clearly marked. Rows may be conveniently closed off with painter's tape, which will not mar the pews. In a large church some sections might be cordoned off to reduce the need for sanitizing everywhere.
24. The pews not used at the previous Mass could be the ones available for the following Mass, if possible.

Use of Restrooms and Cry Rooms

25. Because of the need for sanitizing, it is recommended that restrooms be closed; one may be made available for an emergency.
26. Parish cry rooms may be closed or restricted to one family. They may be used only if proper circulation can be assured, and they will need to be carefully cleaned after use.

Cleaning and Sanitizing/Disinfecting

27. An adequate stock of hand sanitizer and other cleaning supplies, including disposable gloves for cleaners, should be readily available at the time of reopening.
28. Hand sanitizing should take place near the entrance to the church for those coming to Mass. A bottle of sanitizer, touched by many, should not be used. Instead, use an automatic dispenser or have an usher/greeter wearing a mask spray the hands of those entering.
29. Volunteers or others who are not vulnerable because of age or health conditions must clean and sanitize the pews and other commonly touched surfaces, as well as restrooms, immediately after every Mass.

Materials

30. Individual bulletins should not be distributed at Mass, unless they are handed out individually by a glove-wearing usher/greeter, who is masked and remains at arm's length.
31. All paper and other loose printed items should be removed from the foyer.
32. All hymnals, missals, pew cards, and other loose items in the pews must be removed, in order to facilitate cleaning.
33. Collection baskets must not be passed from person to person in the pews. Long-handled collection baskets may be used, if the usher can maintain the required physical distancing. Other "collection points" such as boxes under the supervision of an usher/greeter may be provided for the faithful where they can deposit their offerings.

Other Considerations

34. Holy Water and Baptismal fonts remain empty.

In areas where the faithful might stand in line (for example, waiting to receive Holy Communion), it is helpful place tape on the floor to indicate proper two-metre spacing between persons.
