# CONSECRATION PRAYER AND NEEDS

- 1 Creative imaginations to be ignited in the hearts and minds of our clergy, leaders, members, and friends, causing us to reclaim, revive, & recreate things that once seemed impossible to us.
- 2 Rehoboth would embody the power and sprint of Sankofa as we work to build stronger outreach ministries within our church. Specifically, wisdom, initiative, and divine partnerships as we create and build of 501(c)3 Community Development Corporation.
- 3 We pray for an increase in our weekly and monthly giving (income, capital campaign, pastors love offering) and a decrease in our monthly expenses.
- 4 Clear Divine direction for our leaders on how to lead your people in this church, in the community and in our nation & world.
- 5 Pray for unity among all ethnicities and people in America that there will be peace with one another; standing as one people against all racial and ethnic division.
- 6 Pray for justice in the world: Peace in war torn places, racial justice. Care for the planet/environment.
7. An increase in expectations to be stirred up in 2019 and an increase in intercession at Rehoboth and throughout the community.
8. An increase in passion and initiative that drives us as members to be more committed and consistent.
9. Greater and consistent flow of God's presence and power in our worship and through individual lives
10. Pray for all ministries of Rehoboth as well as future newly appointed leadership.
- 11 Pray that God would give us a passion to pursue better health and stronger relationships (familial, romantic, business, ministerial)
- 12 Greater appreciation for diversity (in worship, in community, in leadership).
- 13 More unity, love for ourselves, and greater investment in our church
14. Physical healing and overall health of our Pastors, members, and families.
- 15 Pray for wisdom to identify and explore greater funding sources and corporate sponsorships.
16. Pray for skilled laborers: both women and men who will rise up and serve as mentors and spiritual parents.
17. Pray for a spirit of Generosity: that God will move on people's heart to give.
18. Pray for our youth, teenagers, and young adults to encounter God and His Spirit. We pray that God's covering and favor would be upon them.
19. Pray that God will give Rehoboth wisdom when time to move, whether to rent or to build.
20. Pray for the United Church of Christ, The Fellowship of Affirming Ministries, our international churches, and all its leaders.
