

The 2022 New Member's Tea

Our club has attracted **twenty-one** new members since 2019. But during the pandemic, we have not had a new members tea to welcome them. Since it is not all right to meet in-person, yet, we have planned a special new member's tea,

February 14, 2022, Valentine's Day, at 12 Noon on ZOOM.

Here are the details: All **new** members will receive a mailed invitation (with goodies enclosed). They will receive their zoom link the week before the tea. Garden club representatives will receive an illustrated postcard with their own invitation (with goodies enclosed). Anyone with the link is welcome to attend the tea. In fact, anyone who has not attended a new member's tea should check it out. But Club Officers, Committee Chairs, and Study Group chairs should attend or else appoint someone to represent them
