

Committees, Clubs and Events

There are several opportunities if you would like to get involved with the community and get to know your neighbors. Our different committees and clubs are always looking for volunteers to help organize activities within the neighborhood and help keep our community beautiful.

Grounds Committee

The Grounds Committee oversees the "Common Areas" which include the maintenance of the landscaped common grounds, three lakes, mailbox areas and cul-de-sacs. We invite homeowners to join the Woodwind Lakes Grounds Committee and share ideas that would enhance the value and quality of life in Woodwind Lakes. It is also a great way to meet your neighbors. This committee is made up of residents from all Woodwind Lakes (WWL) sections who volunteer their time to ensure our naturally wooded neighborhood continues to be a welcome place for its residents. The common areas are filled with native trees, plants, walking trails, lakes and wildlife. These areas also enhance our property values and quality of life.

Grounds Committee Members
