

SHEMITAHS OF ISRAEL

SABBATICAL 7-YEAR PATTERNS OF MODERN ISRAEL 1948-2022

The purpose of this illustration is to depict the Sabbatical Cycles or the Shemithah's since the Modern State of Israel was 'birthed' in 1948. Technically the notion of a 'Nation', that of a 'Twin' or Jewish and Muslim States occurred after 1945 with the end of World War 2 in 1945. Note that this year was a Shemithah Year. Then the U.N. was formed that took on the British Mandate and decreed a 2 State Solution in 1947. The Muslims rejected the proposal and declared war on Israel. In 1948, Israel declared Independence and won. However, most Prophecy Students assume that 1948 is the start of the 'Timeline' that will culminate in Daniel's final Shemithah or Tribulation Period that will also see the return of Jesus. This illustration argues that the correct Start Time is from 1952, when Israel observed its 1st Sabbath Cycle once being back in the Promised Land as a Sovereign Nation. The point being that the 70-Year factor from Psalm 90 is being misapplied to 1948, when in fact it should be from 1952. This would give 10 Sabbath Cycles to culminate in the 11th, that of 2022, in the Fall. The Number 11 signifies a time of Judgment which one could argue could very well correlated to the Tribulation Period. Also consider that the Timeline is pegged to the Tetrad Blood Moon phenomena.

From **70 AD** (2nd Temple destroyed) + **1948** years = **2018**

66th Anniversary from year **1948** = **2014** (start of TETRAD)

Yom Kippur War Oct 6, 1973 + **40th** Year = 2014 start of last Tetrad series

Yom Kippur War Oct 6, 1973 + **49th** Year = 2022

THE LAST SHEMITAH?
Daniel's 70th Week of Years?

Fall 2025 - Fall 2032?

7 years?

2032

- May 14, 1948 - Nation Born in a 'Day'
War of Independence
- UN Member Nov 5, 1949

START: 1952

THE 1ST SABBATH OR SHEMITAH

Not at 1948 but 1952. The Psalm 90 Factor of 70 and 80 Years would render a 10 Shemithah Timespan. Having the 11th be the Last Shemithah. Or Daniel's 70th Week of Years. Shemithah's commence on the Civil Jewish New Year in the Fall, after the Fall Equinox.

It now becomes more clear that the mystery of the restoration given by Jesus at the Olivet Discourse foretold of how in the order that the Temple, the City and the Nation would be destroyed, is how they would be reconstituted in the End in preparation for the return of Jesus. The 'Birth' of Israel occurred before the Tetrad of 1949-50. Then the Liberation of the Old City of Jerusalem was recaptured during the Tetrad of 1966-67. Then the mystery was not fully understood in how 'nothing' appeared to happen after the Tetrad of 2014-15. However in that 2 year window of 2017 and 2018, the 70-Year and 50-Year countdown converged.

Indeed, in 2017, Jerusalem was recognized as the Capital of Israel. In 2018, the Rededication of the Altar of Sacrifice was made, as it was exactly 70-Years when the Israelites returned to Jerusalem after the Babylonian Captivity. This to say that in YHVH's mercy, a 7-Year countdown and warning was and is in effect from 2015 when the Tetrad of 2014-15 occurred. It is as if Christ Jesus is extending and given a buffer of 7-Years for Israel, the USA and the World to repent. Thus, if this timeline and theory is correct, then from Fall of 2022 to the Fall of 2029, will very likely then have to correlated to Daniel's 70th Week. It will also be the 11th in the Sabbath Cycle since 11952, which in Numerical Value, means 'Judgment' or in this case, Tribulation.
