OFFICIAL PROCEEDINGS OF THE COUNTY BOARD LAKE COUNTY, MINNESOTA

Tuesday, August 28, 2018. A regular meeting of the County Board of Commissioners of Lake County, Minnesota, was called to order at 2:00 pm by Board Chairperson Rich Sve. The meeting was held in the Split Rock River Room at the Lake County Service Center, 616 Third Avenue, Two Harbors, MN. The following county commissioners were present: District 1 Commissioner Peter R. Walsh, District 2 Commissioner Derrick (Rick) L. Goutermont, District 3 Commissioner Richard (Rick) C. Hogenson, District 4 Commissioner Jeremy M. Hurd, and District 5 Commissioner Rich Sve. Absent: None.

Also present: County Administrator Matthew Huddleston and Laurel D. Buchanan, Clerk of the Board. Unless otherwise stated, all actions have been approved by unanimous yeas and nays. Members of the public were present. Commissioner Sve led the audience in the recitation of the Pledge of Allegiance.

MOTION HURD, SECOND WALSH: 01 - Approve agenda. Absent: None

Knife River Recreation Council, Inc. (KRRC) hiking trail committee representative Steve Betzler and other Knife River area citizens attended to hear an update regarding the Knife River community's request to Lake County to refrain from selling at public auction 200 acres of tax-forefeited land (five (5) forty-acre parcels) located in the NW 1/4 of Section 30 and the NW 1/4 of the SW 1/4 of Section 30. These parcels were on a draft land sale list as Hawk 1, Hawk 2, Hawk 3, Hawk 4, and Hawk 5.

The Lake County Lands Committee reviewed this request and recommends making a commitment to keep four (4) of the parcels off the land sale list for up to three (3) years. However, a fifth parcel is not included in this Lake County commitment. (Not included: Parcel No. 25-5211-30550. NW 1/4 of SW 1/4, Section 30, Township 52 North, Range 11 West.) Other considerations are under review that may involve a portion of the fifth parcel. Commissioners noted that no matter the outcome through this process, the trail would be protected with easements. After discussion between County Commissioners and Knife River representatives, it was decided that two (2) years would allow sufficient time for KRRC to develop its trail system plan.

MOTION HURD, SECOND HOGENSON: 02 - Approve the Lake County Lands Committee recommendation to refrain from selling four (4) parcels in the Knife River area for up to two (2) years, with the intention of providing time for the Knife River Recreation Council (KRRC) to create its trail system plan. Within the next two (2) years, it is expected that KRRC shall propose that plan for Lake County to consider. The four parcels included in this resolution are as follows:

Parcel No. 25-5211-30260. NE 1/4 of NW 1/4, except the North 970 feet lying East of County Road 102, Section 30, Township 52 North, Range 11 West.

Parcel No. 25-5211-30310. NW 1/4 of NW 1/4, Section 30, Township 52 North, Range 11 West.

Parcel No. 25-5211-30370. SW 1/4 of NW 1/4, Section 30, Township 52 North, Range 11 West.

Parcel No. 25-5211-30430. SE 1/4 of NW 1/4, Section 30, Township 52 North, Range 11 West. Absent: None

Trail Prospectors Alliance President Nick Wognum attended the board meeting, along with Project Manager Jason Chopp from consultant Short Elliott Hendrickson, Inc. (SEH). This board visit was in follow up to a discussion held with Lake County Commissioners the previous week on Tuesday, August 21, 2018, at the meeting of the Committee of the Whole held in Isabella, Minnesota. The proposed amendment would add a proposed project work scope for Taconite Trail Design and Environmental Services to the current agreement for the Prospectors Trail Project between Lake County and SEH.

Mr. Wognum discussed efforts underway for a future legislative session to reinstate previous funding that was not extended due to a Governor veto of a larger omnibus bill. There is no official grant in place for reimbursement, currently. County Commissioners discussed concerns about authorizing payments with Lake County dollars without a reimbursement guarantee. County Commissioners discussed the county's role as fiscal agent for the Prospectors Trail Project. This work scope involves trail work in St. Louis County.
