

## Monthly Meeting Minutes March 2022

### *Time flies when we're having fun !!*

This being our last meeting until November; there are so many thanks we need to extend. A very big thank you goes to the many members of the newly created committees that have done so much for our community. The flowers, events and shuffle board courts are some of the big improvements. Laura and Rex both wanted to extend a special thank you to the builders of the shuffle board courts and those who supported them with food to keep them going. Mr. Bob announced he is ready to help paint the shuffle board court. Thank you Mr. Bob! Another big thank you goes to Cheryl & Babette for the very successful Ice Cream Social! There were so many positive compliments they are having another one in March! So thank you, thank you!

Mary (Committee Chair) also wanted to extend thank you's to include Cheryl & Babette, Eric and all the committee members. She also asked that we "friend" the newly created Facebook page for Lake Saunders Community Association to stay up on the events that are going on in our community. Thank you goes to Cheryl for the newly added "white board" at the entrance to remind us of upcoming events.

Now there is really no reason for anyone to say, "I didn't remember!"

A big thank you from all of us goes to Lisa, who gets up early in the morning before anyone is moving to cook for our monthly meetings. All the great food is prepared by Lisa, so thank you from all of us.

We greatly appreciate it!

Lake Saunders Anniversary Celebration is the Pendergrass' thank you to all the residents past and present for the years of support and wonderful memories from this great community. It is all of the residents that make this place wonderful.

Finally, very important to our community and a constant in our life is Hubie.

We were all very happy and grateful Hubie was able to attend the meeting.

### March Business:

Unfortunately there are still prayer requests for some of our Lake Saunders family. We ask that you keep all of our Lake Saunders family in your prayers. There many be those you do not know need prayers so pray for us all. We know we are so very blessed to be part of this family.

- It was mentioned the dryers were not as hot as they should be. That has been remedied by having the vents cleaned, all the way through the roof improving air flow so please remember to always clean the dryer lint screen after every use. It is for all of us to use so keep it clean for the next person. Also remember to turn off the lights and close the door to keep the room clean and bug free.
- Lake Saunders Anniversary "Block Party" Celebration: March 10th, 4 to 6 pm or longer! Food catered by Woody's Grille. Each lot will be issued 2 food tickets (Sandwich, side and drink) Additional meals & sides available for purchase. Music, raffles and fun! Pick up tickets at the office during office hours. View raffle prizes at clubhouse starting 1pm.
- Game night is going well and there may be a Billiards night started. We do not have a pool.
