

Dr. Greg White

Airport Pavement Engineering Specialist

Dr. Greg White is the sole director and proprietor of APES and also holds the position of Adjunct Associate Professor of Pavement Engineering at the University of the Sunshine Coast. Following a career as an Airfield Engineering Officer in the Royal Australian Air Force, Greg worked for a number of leading Australian design consultants as a Principal Airport Pavement Engineer and then as the Technical Manager Airports for construction and surfacing company Fulton Hogan.

In 2016 Greg established APES in order to provide specialist independent advice to the airport industry. Greg holds a number of Masters level degrees, as well as a PhD, all earned in the area of pavement materials and engineering. Greg is one of Australia's most experienced and qualified airport pavement engineers and researchers.
