As Sequoia Softball is a *VOLUNTEER* organization, we will require each team to work the snack bar during the season and expect each family to volunteer with their team when the time arises. With the Covid-mitigation plan we'll need every parent to volunteer in some capacity with their team this season. We depend on volunteers for all aspects of our operations and therefore can always use help in providing the best possible experience for the girls in our league. Such commitments can be one-time and ongoing events. If you would like to volunteer, then please select the activities you may be interested in helping with during the 2023 season.
