Notes for the Month of May:

***Fall Meat Birds**- We are highly suggesting pre-ordering for fall meat birds. We will close our order by mid to end of July and they will arrive at the beginning of September.

***All baby chicks are first come first serve.** We order females only and the hatchery is 90% accurate.

* **There is a six chick minimum order.**

* If you are interested in **Guinea Hens** order them by the 31st of this month. Arrival will be sometime during the month of June/ early July.
