

Welcome to the Gold Wing Touring Association Northern California's Website. GWTA was founded in 1987 and our motto is "Destination Friendship." GWTA is an international not-for-profit organization of touring motorcyclists. We identify ourselves with the Gold Wing but are neither affiliated with nor receive funding from the manufacturer. GWTA is owned and operated by our members. We are a member-run organization. We have 12 chapters throughout Northern California. Our events vary from day rides, camp outs, dinner rides, potluck gatherings, State Events, and National Events. Come ride with us!
