Hilton Lake Spring 2020 Tennis Court Project Update

The project to refurbish and improve our tennis courts near the south lake is now essentially complete. It took a bit longer than expected, and the courts are now fully open for use.

The following work was done:

1. Converted one tennis court into two pickleball courts.
2. One old net remains as a divider between the two pickleball courts. It still needs a little tidy-up work.
3. Removed old net posts on the remaining tennis court.
4. Filled and covered cracks with a mesh repair system.
5. Leveled and repainted the courts.
6. Installed new posts and nets for all 3 courts.

Thank you for being patient while the courts were under construction. We hope they will remain in good condition for many years to come.

Here are some construction photos:
