

October 14, 2017
10:00 am til 5:00 pm

It is that time again for our annual Houston Fire Fest. This is a FREE event that is opened to the public and celebrates National Fire Prevention Week. The family-oriented event's goal is to promote awareness about fire safety and fire prevention practices in a fun setting with real firefighters. The day kicks off at 10:00am with a parade of new and antique fire trucks. Activities include an apparatus show and demonstrations, kid's zone, firefighting demonstrations with live fire, food, music and real fun all day long.

Of course, part of the fun is SHOPPING!!! Previous events have taught us that nothing makes an event more fun than trying out all kinds of foods and browsing thru the many vendor booths with amazing merchandise for sale. We would love for you to come and be a part of this wonderful, educational, and fun event.

Do you have a non-profit organization that promotes fire safety, prevention, education, etc? We'd love to have you too! Again, this is a FREE public event so what better place to meet the community and let them know what you are all about.

Attached is a Vendor/Exhibitor Registration form that should be completed and returned with payment by September 29, 2017 to ensure a booth location. If you would like to participate, please visit www.HoustonFireFest.com for additional information and online registration and payment. All Vendors and Exhibitors will appear on our website under the Vendor / Exhibitor Directory.

Please email sheri.czekanski@houstontx.gov if you have any further questions regarding the event.

Thank you in advance
District Fire Chief Gregory
