Dear Friends of Hospice of the Highland Rim Foundation Inc.,

We Cordially Invite You... to join us as a runner or walker for our First Annual Hospice of the Highland Rim Foundation's, **5K Trail Run/Walk at Tim's Ford State Park on Saturday, October 7, 2017.** Check-in will begin at the recreation center at 7:30 a.m. and the run/walk at 9:00 a.m. This is an easy to moderate paved trail.

Hospice of the Highland Rim Foundation's Mission is to help hospice patients who are experiencing end-of-life hardship due to their illness. HHRF is a local charity that was established in January of 2009 to assist hospice patients regardless of which hospice agency the patient chooses for end-of-life care. HHRF helps hospice patients and their family with food and utilities while on an individual is on hospice care. ***Proceeds from this event will help to relieve financial stress and allow their loved ones to be home with them during this difficult time in their life.***

Hospice touches the lives of everyone in our community. In 2016, HHRF with the help from local supporters provided approximately \$67,000 in grants for Hospice Patients in Bedford, Cannon, Coffee, Franklin, Grundy, Lincoln and Moore County. ***We are asking for your help today to continue helping these special patients.***

Run, Walk or Donate in Memory of or Honor of a Loved One. Enclosed is our registration sheet and event information. Feel free to share our 5K Event information with your family, friends, neighbors, co-workers or anyone who would like to help others while on hospice care. Finishing medals will be given to each competitor that crosses the finishing line and awards will be given for the top qualifiers for male and female participants. *Everyone is invited to participate in this charity event even if you have never had a loved one on hospice.* All information for our upcoming **5K Trail Run/Walk at Tim's Ford State Park on Saturday, October 7, 2017** can be found on our website at www.hospiceofthehighlandrimfoundation.org. ***Please remember, your contribution and participation is and always will be critical to help hospice patients in our local community.*** An envelope has been enclosed for your reply.

Best regards,
Jennifer A. Lazenby, Director
