

UO Meeting – February

- Dimitrije Protic and Alex Protic will update the Operational Policies. Need to include that there will be no practices on a long weekend (makes it easier for the future because half the groups are not in town).
- More info about happenings need to be put up on Facebook and the Frula website. All new info about trips and performances and meeting minutes will be posted on the Frula website once a month by Dimitrije Protic and Maya Pavlovic. Maya Pavlovic will be posting on the Facebook page about info on trips and performances.
- Jelena Kostadinovic gave her resignation letter on February 15th, 2017. She does not wish to fulfill her 30-day period for transition. She will not be receiving her payment for the month of February because she violated her 30-day notice.
- Email needs to be sent out to all current instructors to meet up tomorrow (Feb 19th) at 5 or 6 PM to talk about Jelena K. resigning and how the artistic coordinator duties will be split up etc.
- Jelena K. promised to make a new dance for Tara 1 and 2. UO will ask her to do this as part of her transition out of Frula. She will be asked to create a new choreography with the help of Nina Matic and Milica Papic. If she decides to go through with putting together a new dance, she will ONLY be teaching Nina Matic and Milica Papic. Nina and Milica will be responsible for teaching Tara 1 and 2 the new dance.
- Jelena K. was also supposed to help plan Serbian Fest this year. UO will contact Sonja Kucinar and inform her that Jelena K. has left. Find someone else to take over and share duties with Sonja Kucinar in planning Serbian Fest. Dimitrije Protic and Jovana Ceklic have agreed to be MC's again this year.
- Update the "About Us" section on the website to include the Serbian language.
- Upcoming events: Feb 26th – Crkvena Slava (nastup – Morava, Tara, Sava, pevacka), March 24th – Beach Zurka (at Marda Loop Community Center), April 22nd (approx.) – Easter Ball (at the church), May 14th – Frulina Slava, May 21st -22nd – Serbian Fest, June 10th – Year End Concert and Party (at Hungarian Community Center).
- Dimitrije Protic will secure the hall rental for the Beach Zurka at the Marda Loop Community Center.
- Send out email to all Frula members how much money we received from Casino once we get that info from AGLC (should be by the end of the month).
