From the President's Desk:

Not a lot on my desk this month.

The bridge on Ironstone Hill Rd is open! It is a very nice bridge.
Please cross responsibly.

Newsletters are being mailed again. Please give us your feedback on the new format, and your mailing/emailing preference.

The Board opened the sealed bids for the club pistols, at this month's board meeting on 10/3. Winners will be notified shortly by Board Chair Howard.

The board decided it was time for a periodic change of locks on the clubhouse and garage. If you feel you have a legitimate need to have access to these buildings, please contact board chair Howard or myself, and we will present your request to the Board. Better yet, show up, ask, and see how things work!

That's all for now, as always, I want to hear what you think about your club and its operations, good or bad.

Junior News

The Limestone Springs fishing trip was a great time. Six Juniors made the annual trek to Lebanon to fish and visit Middle Creek. Each Junior caught their limit and took home some great trout fillets.

At Middle Creek we attend a seminar on cooking duck, shot muzzleloaders, operated the hoses of a Fire Brush tanker and called for ducks.

Nathan Metzger had a great article in the York Daily Record (Sept 28) about receiving the IWLA Honor Roll Award. Read the story hear:

<http://www.ydr.com/story/life/2017/09/22/eastern-york-student-outdoors-superstar/641004001/>

The Juniors Clubhouse will get a coat of paint on Oct 7th. We are slowly finishing up all the odds and ends in the clubhouse and hope to have most of everything completed by this month's open meeting. Thank you to David Bell and Dalton Orwig for their separate Eagle Scout projects to complete the clubhouse.

The Juniors have a new fund-raiser to offer during the open meetings. We will be selling AMS Oil gun cleaner and lubricant. Both bottles are a bundle for \$18. They make great stocking stuffers.

Mark your calendar, the annual Halloween party will be Friday, October 21 from 6:00 to 8:00 PM. We are planning some fun activities; so put on a scary costume and stop by for a spooky good time! Feel free to bring a snack to share.

Visit our Junior Page for more information: <http://www.yorkiwa.org/juniors.html>

Rifle News

The rifle range will be closed October 14th and November 12th all day and October 15 till 1pm.

Pit Beef Sandwich Sale

We had a very successful sandwich sale on Sept 9th. The weather was beautiful and we had a lot of support. Thank you to everyone who came out and helped and to those who stopped by and bought sandwiches, and to those that helped spread the word about the sale. It was a great day of friendship, meeting new people and spreading the word about our club. Thanks again to everyone. It takes the support of the club to have a success. Peggy Walker

Fun Shoot

The September Fun Shoot hosted 45 shooters, and they were presented with a preview of the upcoming falling steel event. The special target this month was field corn on the ear. Kernels were flying everywhere. I have a special surprise for October's shoot. Come on out and play with us,

you will walk away with a smile.

The Fun Shoot is designed for the new and experienced shooter alike, and we love the kids. There is no need to feel intimidated because "I am not good enough". Most of us are not. Watch our blog, www.yorkpistol.blogspot.com for details.

If you are a plinking shooter or a budding multi-gunner, and haven't been out to this event, you owe it to yourself to come and play. We love new shooters, families and kids. First shots were around 9am, and we were all cleaned up and gone by 1:30pm. We usually shoot the 4th Saturday of the month, check the club calendar (www.yorkiwa.org/calendar.html) for specific dates, and our web page <http://www.yorkiwa.org/action-shooting.html>, for more info.

Trap News

Monday Night Trap Shooting (6:00 PM - 9:00 PM)
Last Monday night for 2017 season is Oct. 30.
Our small but dedicated Trap committee runs and maintains the trap field. We have three automatic voice activated throwers, two standard and one wobble, and host many events throughout the year.

While the automatic throwers are for events only, the field is always open to members with their own throwers. Visit our club web page at: <http://www.yorkiwa.org/trap.html>.

Other News

We will be having seafood dinners on January 13th and March 3rd. These are important fund-raisers for the trout committee. Please mark these dates on your calendar and try to attend.

Club Rules

It is the responsibility of ALL members to enforce the club rules. Particularly on the ranges. If you see someone breaking club rules or doing something stupid say something. It only takes one round leaving the range or accident to get the ranges shut down for all of us.

Twisted Knot Photos

If you didn't get a chance to come out and see the Twisted Knot, here are some great photos!

(photos by Greg Senft)

New Members

Please give a warm welcome to any new members as you see them on the grounds. Remember, with all new members and existing members, safety on our ranges is a very real concern. If you have questions regarding safety rules, please ask someone.

Advertising Options in 2018

We are excited to announce that the Izaak Walton League York Chapter Newsletter "The Waltonian" is excitingly getting a new look (well the look & size we have now), for 2018. We had amazing support from members who were able to print our newsletter for free last year, but unfortunately this year we have lost that support. So we are changing our advertising prices and sizes for our ads to help with the cost of printing and mailing next year. Our Newsletter is now in full color, and is 11x17 folded with an 8.5x11 insert. Giving us more space.

If you have not advertised with us before, here is your chance! (limited space available in Jan 2018) First come first serve in 2018 (not guaranteed size depending on availability).

Our Waltonian Newsletter reaches 1360+ members, we distribute hard copies to two local gun shops for distribution. It is also linked on the Izaak Walton Nationals website and is posted on our website as well. Unlike most clubs we send our newsletter out each month, giving your repeated advertising coverage at a very low price.

This year we added a new feature to our emailed newsletter version. Each ad will link to your website, or facebook page, allowing the readers to see what you have to offer and driving more traffic to your business. We are mailing out our newsletter as well and will be printing a limited amount and have them available for pick up at the club and at events, matches, meetings etc.

On the left hand side & bottom of this sheet, are the actual sizes of the ads, and some examples of what you can have. We prefer you send a camera ready (electronically designed) ad to size, but we understand not everyone has access to that luxury. So, we will try and design something awesome for you with the artwork, photos and information given to us by you. All ads are in full color.

If you are interested in advertising in our 2018 Newsletter please email me at iwla67newsletter@gmail.com and I will send you the forms. If you have any questions about these changes or require more information please feel free to contact: Nancy Webb at 717.993.2900.
