IMPORTANT INFORMATION

United States Census 2020

We are encouraging every Morrow County resident to take the time to fill out this years census.

A Census Population and Housing is taken in the United States every 10 years. A Decennial Census is required by the U.S. Constitution to determine the number of seats each state will have in the House of Representatives for each state.

The 2020 Census will help determine your state's representation in Congress, as well as how certain funds are spent for schools, hospitals, roads, and more. This is your chance to play a part in history and help ensure everyone in your community is counted!

This is an excellent way to earn additional funds that can help Morrow County and all of it's growth. Thank you for participating in this survey.
