

Welcome to the XComms Desk Alert Tool Demo...

To Install the Demo Client (end user application to receive alerts) please refer to the following instructions. For more assistance please call 855.323.9663 and select Tech Support or email support@xcomms.com

Step One: Login to xcomms.com/demo.html (use credentials provided by XComms)

Step Two: Enter Login Credentials Provided

Step Three: "X" out of any pop up tutorials that may appear

Step Four: Download Client on the Top Right of Page (this is what will be installed on computers that will receive alerts)

a can download demo-client for your operating system: Mac OS X | Ubuntu Linux x32 | Ubuntu Linux x64 | Android | Window iOS see system requirements here

If saved to your computer the icon will appear as:

deskalerts_setup

Step Five: Installing the Client...
