Public Partners

We would also like to thank the PA Department of Community and Economic Development, the Commonwealth Financing Authority, and the Department of Conservation and Natural Resources, the City of Hazleton, and Luzerne County, as well as our state legislators, Senator John Yudichak and Representative Tarah Toohil, for their continued support of our revitalization projects!

Banking on the Arts!

Thanks to the generosity of many donors, the Banking on the Arts Naming Rights/Capital Campaign raised \$1.2M to fund the Phase II renovations to the new City Arts Center. These donors will be recognized separately at a special event honoring their support.
