PLEASE NOTE:

- *There are 4 seniors in Advanced 2 and 5 seniors in Advanced 1.*
 - *This is normal; most years there have been some in each class.*
 - *Each senior will have a lead recital role that shows them to their best, regardless of which class they are in.*

- *The audition allows us to place you in the class that is best for you.*
 - *There are always several students who are just not quite ready to move up.*
 - *We will be watching those students in summer classes and in the fall. Those who work hard over the summer (in classes, workshops, or just at home) and show they are ready may be advanced at any time during the summer or early fall.*
