**A Note from Rick:** A good week for markets at TLA. Markets across the board were slightly stronger on Tuesday. Although there were only slight increases in most categories, it's definitely nice to report markets that are improving. Slaughter cows made the biggest gain for the week, followed by Dairy Replacement heifers and sheep & goats. Dairy cattle, slaughter cattle and baby calves all had very slight increases- but increases none the less. For the first time, TLA hosted the St. Jude Children's Hospital Benefit Horse Pull on Saturday. There were 30 teams of ponies and 23 teams of big horses that attended from a total of ten different states. It was a great day pulling horses for a great cause. They were able to raise a good amount of money for St. Jude's and had a blast doing it. I have a lot of respect for the Pulling community to come together and put their time and effort in to this benefit. It is an honor to be a part of this great event and we look forward to doing it again next year. Consignment deadlines are drawing near for a lot of our Fall sales and we are excited to start putting catalogs together. See you at TLA!
