

Siena Crist

Teacher Ages 5 ½ -9

Siena Crist has been a teacher for our Farm & Forest Friends Program (ages 5 ½ -9) since the summer of 2015. As a child she lived in the white farmhouse at Heritage Creek for 8 years and enjoyed exploring the property with the Hughes kids . Victoria and Chandler, and her sister Remi. The creek, green lane, and the bamboo forest were and still continue to be among her favorite places on the farm. Siena finds it rewarding to see campers having fun adventures and making their own memories at the farm she spent so many of her childhood summers.

Siena has always been a lover of animals and likes working with the campers to do morning animal chores. In her free time, she enjoys reading, writing, traveling and spending time with her dog.
