

SHUN FORMULA 1 (Grand Prix)

F1 mindless burn up of oil, emitter of tonnes of polluted air!

An irresponsible polluting country there are 19: Australia, Austria, Bahrain, Belgium, Brazil, Canada, China, Germany, Hungary, Italy, Japan, Malaysia, Monaco, Spain, Russia, Singapore, UAE, UK, USA. **Note!** *These are the countries that cause 'Climate Change' a threat to Human survival.*

An irresponsible polluting country builds an F-1 Race-car track at a cost of 120 to 200 million. Yearly maintenance is between 10 to 20 million. License fee are 50 million rising annually.

An F-1 team spend up to 300 million a season. The main suppliers of polluting Formula 1 engines are: Mercedes, Ferrari, Renault & Honda.

After the Melbourne Race, Australian Grand Prix chairman Ron Walker (*profiteering Polluter*) complained F1 engines lack noise. English Bernie Ecclestone (*profiteering Polluter*) CEO of F1 Licensee promised more noise. Engines manufacturers are working on creating more noise pollution.

Main sponsors: Airbus, ARMIN STROM, AT&T, Avande, Banco do Brasil, Bifold, Blackberry, Burn, Casio, Certina, Chelsea F.C., Claro, CLEAR, CNN, Columbia Records, Dell, Dynamics, Emil Frey, Experian, Ferrari, FIAT, FXDD, General Electric, Genii, Genworth, Geox, HUBLOT, Hugo Boss, Infiniti, Intel, Interproteccion, Jose Cuerva, Kaspersky, Kemppi, Lotus, Marlboro, Martini, Marussia Motors, McGregor, Mercedes-Benz, Microsoft, Mobil 1, Monster Energy, Naza Group, NEC, OC Oerlikon, Oris, Peace One Day, Pepe Jeans, Petrobras, Petronas, Pirelli, Puma, QNET, Randstad, Rauch, Red Bull, Renault, Rexona, Richard Mille, ROYALS, Safran, Sage ERP X3, Santander, SAP, Shell, Siemens, Singha, SKY, Swissquote Bank, TNT Energy Drink, TAG Heuer, Telcel, Telmex, Thomson Reuters, Total, Truphone, UPS, WEICHAI, Wihuri, Yota Devices,...

After the Melbourne Race, Australian Grand Prix chairman Ron Walker (*profiteering Polluter*) complained F1 engines lack noise. English Bernie Ecclestone (*profiteering Polluter*) CEO of F1 Licensee promised more noise. Engines manufacturers are working on creating more noise pollution.

A F1 Grand Prix is decadent entertainment by an uncaring society. Selfish wasting reducing Resources. Polluting as fast & as much as possible. Creating mountains of garbage.

Formula 1 racing encourages illegal street races. Formula 1 racing encourages a whole culture of bad lawless driving. Spectators of Formula 1 racing are supporters of environmental vandalism.

Must Do

End Formula 1 racing. Demolish venues. Prosecute promoters: **MS/R7**

Stop production of Formula 1 vehicles. Prosecute manufacturers: **MS/R7**

Shun Formula 1 sponsors. Do not do business with them. Don't work for them or with them. Don't socialize with anyone who works for the sponsors.

Shun known Spectators. Do not do business with them. Don't work for them or with them. Don't socialize with anyone who is a spectators.

Hold Governments of the 19 above mentioned Polluting countries accountable. Zero tolerance to polluters.
