Mission of the Month: Tim & Tonya Vennell, Mission Aviation Fellowship; Tim has been asked by MAF leadership to assume the lead in the process of MAF changing to a part 135 aviation operation. He is currently the only one with the background and qualifications to fill this vital role. With increased government regulation around the world, it is becoming more and more difficult to bring the Gospel to the isolated peoples of the world. Adapting to ever-changing country operation regulations is essential to keep MAF’s mission moving forward. Vennell’s thank you for continued prayers.
