Vendor Registration Form (Page 2)**

Please read below and Initial on Page 1 of this form. If not Initialed the form will not be accepted.

All Vendors are required to abide by the following rules and/or restrictions:

- 1) Vendors must list their products they are selling. Failure to do so will result in not being permitted to sell those items not listed.
- 2) Vendors may not share booth space, nor may they sublet or apportion space to anyone else. Booths are non-transferable and must be occupied by the applicant.
- 3) Vendors are not guaranteed their previous years space.
- 4) Vendors will be placed into their paid space as they show up for their assigned row.
- 5) NO Vendor may sell anything to anyone who is NOT registered for the Rally. The only exception is Hilton Staff with proper identification. If you are caught, you will be assessed a \$20.00 fee person.
- 6) Vendors are responsible for having their own liability insurance and must comply with all Local, City, County, and State laws and regulations.
- 7) **Official Vendor setup will begin on Wednesday March 18th; starting at 8 a.m.**
- 8) Vendor Parking may be available as early as Tuesday March 17th. No one will be allowed to unhook their rigs on Tuesday without prior approval from the Vendor Coordinator or District Director.
- 9) We will be staging big rigs first.
- 10) Quiet Generators will be permitted in the Vendor Perimeter Area. All others must be placed outside the fence perimeter.
- 11) Vendors will be charged a delivery fee from the hotel on items sent to the hotel.
- 12) **All Vendors are required to donate a gift as a prize for our event. Include a business card so you can receive recognition for the prize.**
- 13) Use of Hotel Electricity has not been confirmed. Note: if available, the hotel may have an additional charge.

Vendor space will be divided into **outside** and **inside** locations. This year the Indoor Vendors will be in one large room which will be beneficial to all. All Service Vendors will be located outside, along with other vendors who choose to be outside, and/or when Inside space is full. Outside vendors may need to be unhooked from their trailers and park in another location to allow set up for your rigs. We will place Vendors in a specific order for placement and set up. You will be notified in advance of your time to be placed. Space will be tight, and we will need your cooperation in setting up as quickly as possible.

This year we will again be incorporating the pre-pass method of service with a 30-minute window prior to service being performed. Space is limited in the Vendor area; therefore, bikes cannot remain in vendor area after work is completed. We ask that you tell your customers to remove their vehicle from the Vendor area when work is complete.

We hope to be able to accommodate everyone who wants to set up as a Vendor and yet space is limited. Please register as early as possible to receive a confirmation that we have the space you need available and so I can set up a schedule for staging.

This will be our 3rd year at this great venue and without a doubt...this will be a **FUN** and rewarding event. With your help, I am confident everything will go smoothly! The Florida District appreciated your continued commitment and support to our rally through the years. We hope you can join us in 2020. We look forward to seeing you soon!

Thank you,

Jeff & Lisa Duffey
