

Station Camp Dugout Supporter,

It is time to renew your field sign for the 2020 Station Camp Baseball season. We appreciate your support to our program. The Station Camp Dugout Club is the 5013c non-profit organization that helps provide the monetary obligations for the Station Camp School baseball program. We provide 98% of funds provided to this program. We could not help these boys succeed without your continued support. Enclosed is the renewal form. Your sign will hang on our field from February 2020 to August 2020. Our program host several travel ball tournaments throughout the summer which provides you added advertisement beyond our school season. Thanks again for your support.

Sincerely ,

Station Camp Bison Dugout Club
