## Veteran's Day Celebration at the Cameron's Veterans Home

From left to right: Neva Woody, Shoot Like A Girl Founder and President, Eric Peterson, Shoot Like A Girl Board member, Gary Summers, President of the Veterans Assistance League.

Neva proudly presented a check for the record amount of \$64,000 dollars to the Veterans Assistance League with Veterans, their families and staff looking on. While still separated by a pane of glass, they all gathered live and in person, with flags waving and bagpipes playing. It was a spectacular afternoon and a positive step on our return to normalcy. The monies will assist in the purchase of new handicapped equipped transit van for the residents of the Cameron Home.

Many Thanks to All who  
Donated, Participated & Volunteered
