

AmBrit International Services
American Ingenuity, British Intelligence
The Perfect Synergy for Today's Complex World

AmBrit International Services is a risk management company with a global footprint. Our staff has protected Presidents, Royalty, celebrities, and corporate executives. Similar to our global reach, our client base is extensive. In recognition of our distinct capabilities bringing the best of British and American panache to security and discreet investigation, we pride ourselves on being a cohesive team bound together through integrity, flexibility, and resourcefulness.

We will protect your reputation; your business; VIP's; family; and friends at special events through discrete, layered and interlocking protection, conducted in a highly professional manner conducive to your expectations.
