ANNUAL REPORT 2021-22

Good Morning to all gathered here for the Parents Meet, due to pandemic the school functioning had to go with many compromises with regular offline classes , Activities, Programs, Events which were a part and parcel of every academic year. Every student enjoyed the schedule of events.

So keeping all these anticipation and eagerness in the minds of the student we had cater to a certain limit to conduct certain events , programs.

Like languages skits were presented, Celebration of National festivals, Maths model presentation, Sports Events, Social Science & Science Exhibition etc.

COVID has brought in a lot of changes in everyone, school functioning, a major change with methods of teaching , online classes. Everyone started grooming and updating ourselves with Technology. students are no exception to easily adapt themselves to it.

As we all know anything done or taken up has its own advantages and disadvantages. As a team we also come across many hurdles which was solved with your co-operation along with some time restrictions.

2. Term II – Board Exam for 40 marks, 10 marks internal. Exam scheduled on 26th April. Time Table is yet to be released.
3. 1st Preparatory 7th Feb to 14th Feb. Based on their performance, each subject Teachers are taken up to the initiative to bring better learning, every day new steps are implemented to make them learn the content with better reasoning. Math lesson by lesson Practise Test, solving of CBSE Sample Question paper and other Question Papers are being done by each subject Teacher as per new pattern.
4. 2nd Preparatory scheduled 2nd March, Time Table will be shared. Students are to attend classes regularly till the 2nd week of April, there after they will get their study break.

IX/X: Due to pandemic , the methods of Assessment and Evaluation are done in a different method in comparison to earlier methods. Firstly, portion was bifurcated as Term-I & Term-II. Assessment were as told Term wise, first Term MCQ pattern, II Term regular Question Paper method.

As all of you are aware the students are missing school- interactive learning sessions, we as a team have taken up initiatives to groom and bring up a learning wave in their minds. Different assessment tests, exams (oral & written) taken up to make them learn. Frequent interaction with students & parents were taken up to bring about a change in their learning outcomes. Parents Co-operation and involvement along with teachers has helped us to achieve our objective to a certain extent. Students involvement and regular presence in the school is also an additional requirement to bring about a change.

So, do have a constant interaction with Class teachers and subject teachers to bring out the remarkable change in your words.
