Intelligent and Motivated People Actively Changing the Times

Involvement Opportunities

For all positions, we welcome committed individuals and clubs/organizations who thrive off of making a real impact in their community. All positions listed can be filled as a volunteer or intern. You don't have to be an expert in STEM to join us! If you don't see something that you're good at here, no worries submit your e-mail to us and let us know what you would like to do! Our efforts are to make a real impact in the lives of all we serve daily. Let that be YOU! Let's make a Real I.M.P.A.C.T together!

Volunteer Coordinator

Event Catering Coordinator

- Prepare, organize, and distribute food
- Ensure that meals served are healthy and well balanced
- May be responsible for shopping and picking up any food items
- Soliciting staff to effectively prepare and serve food
- Coordinate food program with Bright From the Start

Curriculum Writers

- Our programs consist of hands-on projects that connect to everyday life. Do you have an idea for curriculum or hands-on activities that will engage girls in STEM?

Guest Speakers

- Studies show that girls who have had more exposure to STEM professionals are more interested in working in STEM fields. Passionate about your STEM career? Join us for an opportunity to share your experiences with young girls.

Workshop Leaders & Camp Counselors

- These volunteers are on the front lines!
- We need high-energy females to serve as role models and get girls excited about STEM.
- College students and teachers would be ideal, but anyone with a passion for helping girls would be a perfect fit.

Event Volunteers

- We need a few team members to help on event days. Registrations, swag bags, t-shirt sales, tweeting, snacks, photography, etc.
- Your help is essential because you help to make sure the day flows and is organized, if you'd like to help out with one or more these we would be glad to have you!
