

Advanced Reading Classes

- AIMS ACADEMY 2017 -

Join us as we explore an exciting selection of books this semester! All of our courses strengthen *reading comprehension*, *vocabulary*, and *critical thinking* to help your student become an effective reader. We offer three classes designed to target the necessary literacy skills for each grade range.

-
- * **Reading A Class (Gr. 2-3)**: This class will guide your student to read **chapter books** with fluency. Our unique course focuses on a combination of **reading and writing fundamentals**, with added grammar enrichment to develop a strong language foundation.
 - * **Reading B Class (Gr. 4-5)**: Students will learn to approach reading strategically for **accurate comprehension** and an enjoyable literary experience. They will also be introduced to the **elements of literature** (i.e. similes, metaphors, etc).
 - * **Reading C Class (Gr. 6-7)**: In this class, students will explore more **complex texts** by learning to identify and **analyze** the major characteristics of various **forms of literature** (i.e. informational text, narratives, novels, myths, etc).

Advanced Writing Classes

- AIMS ACADEMY 2017 -

Our writing courses will help your child become a stronger writer and critical thinker! Students will draft their own **multiparagraph compositions**, improve **grammar skills**, and apply advanced **writing techniques**. Three classes are offered to develop the essential skills needed at every writing level.

-
- * **Writing A Class (Gr. 2-3, SPRING)**: Students will explore the various **elements of the writing process**. This course will deepen their **mastery of the English language**, allowing them to clearly express ideas through writing.
 - * **Writing B Class (Gr. 4-5)**: This class promotes the development of **effective writing skills**, including **prewriting, drafting, revising**, and publishing refined compositions. Students will be able to showcase their creativity while improving their usage of advanced writing mechanics.
 - * **Writing C Class (Gr. 6-7)**: Our older students will learn to draft more **impactful writing** by employing sentence variety, concise ideas, and descriptive passages. They will work with various forms of writing such as **persuasive, narrative, and informative essays**.
