

# Rap A Tap Center For The Arts

## Studio Policies

Please note the following guidelines regarding all classes:

1. We request that students carefully observe our dress code outlined on our website and in our welcome packet.
2. Any student arriving more than 15 minutes late will not be admitted to participate in class. For your safety and to receive full benefit from your class, please arrange for a make-up class if you expect to be very late.
3. All students are encouraged not to leave the room once class has begun. Please allow for appropriate restroom use prior to class. Very young children will be treated sensitively as the need arises. Preschool children may need a parent's attention from time to time for various reasons including bathroom or behavior issues. We make every effort to have all children feel safe and cared for in a loving and inspiring learning environment.
5. *Please practice respect.* Students should not be excessively talking in a disruptive manner during the class with other students. Please honor your teacher and fellow students by giving your full attention and co-operation.
6. During class if a student complains of being ill, or sustains an injury and cannot participate, the instructor will send them to their parent in the lobby or will notify parents if not on the premises.
7. If a student is sick and unable to safely attend class please notify the studio as soon as possible. Students can also attend class via zoom or watch through the livestream with prior notice to the studio. We make every effort to keep your dancer engaged even if they can not attend in person.
8. No one is allowed to sit inside a class and watch during regular class time unless approved by the instructor
9. No food or drink, except water should be consumed in the dance studio. A student may bring healthy snacks in a sealed container to consume outside.

Dance class is educational and fun, however, an important part of class work is developing an attitude of discipline and respect for teachers and fellow students. We trust that following our classroom etiquette will provide an environment whereby classes at Rap A Tap will be a pleasure for all.
