1. Old Business:

- a. It was mentioned at the last meeting that we needed two banners that say CHS Athletic Booster Club to use at functions when selling and trying to get memberships. It was discussed and decided they are not needed because the board members are using the Central flags to decorate the tables.
- b. The booster club would like to be able to put flyers at local businesses. Christy Jones is taking on that task, needs the graphics/logos and a list of current sponsors.
- c. The sports programs will be ready December 14. Stacey is still trying to get senior ads. The program has been a lot of work now that we are only doing one a year. Some parents have been upset that it's not done and refunds have been offered. There is a need for a student who is proficient in the software they are using. Stacey Robbins Kelly has resigned from her post as Special Project Director as of December 14 and will complete the program first.
- d. The booster club has been using social media to reach out to the Central community with great success. Brandi Gutches has been posting consistently and keeping everyone informed on major athletic events. Kim Molandes will be reaching out to Mr. Hinson to put booster meeting information in his newsletters.
- e. The booster club would like to do a fundraiser and it was mentioned that a dance would be fun, maybe a Saturday Night Fever theme. Jersey Mike's is also willing to help us with fundraising and has reached out with an idea to sell \$3 tickets for sandwiches. El Pollo Loco will do a fundraiser and they will give us 60% of the profit. Next meeting we will vote on what we should do.

- f. There has been no new interest in team liaisons for wrestling, freshman football or boys and girls track.

2. New Business:

- a. The craft show was a success for selling spirit wear. Inetta would like to see a better system for selling gear online. She cannot go to every function and would like to put together a committee to help sell items. Christy Jones brought up that Team App has a store. Inetta will email Christy pictures of items with the prices.
- b. Girls Basketball has a request to buy a mini iPad, case and tripod to record games and watch film. The price is \$529 for all three and they are asking for help with half that. Their old one broke and it is a much needed item. If the iPad is not agreed upon, they would like help in buying shooting shirts for the varsity girls at \$70 per shirt. **Ann Gillihan motioned that the board pay half of the cost of the iPad and accessories. Kim Molandes seconded the motion. The vote passed unanimously.**
- c. Concessions: Pricing and Staffing will be discussed at the next meeting when the President is there.
- d. Santa's breakfast will not be held this year due to time constraints and no one to head it up.
- e. Open Discussion: Coach Stitt from Hillwood has reached out and donated three cheese machines to concessions. It was mentioned that the board members should get together once a month outside of meetings to promote more communication.

Meeting was adjourned at 6:50pm

Next meeting date - December 10, 2018

(Board 6pm; General 7pm)
