6pm to 11pm

Chicago Gaelic Park

6119 W. 147th Street, Oak Forest, IL

Hope never abandons you, you abandon it.

~George Weinberg

In May 2013, Sue Moran was diagnosed with a rare and aggressive form of gallbladder cancer. The cancer spread to Sue's stomach lining, bile ducts and lymph nodes. After 3 months of intense chemotherapy, Sue and her family learned that the treatments were not effective. The cancer is spreading and not responsive to any traditional treatments. Sue needs urgent help to continue her fight for life. Sue is the wife of Brian Moran and mom to Kailey, Liam & Sean. Sue and Brian, along with family and friends, have desperately researched to identify other treatment options. As a result of their efforts, Sue was accepted into a specialized medical cancer treatment program in California. She immediately began receiving extensive alternative treatments in early September.

Sue's treatments are not covered by insurance. The enormous medical bills along with the day to day expenses have created a massive financial burden for the Moran Family. The **Friends of Sue Moran** are asking you to help Sue in her journey for life. Please consider donating food or items to be raffled at the benefit, or making a financial contribution.
