

Greater Wenatchee Girls Softball Association (GWGSA) is a recreational sports organization that strives each year in the excellence of teaching girls 5-13 years old. We seek to teach the fundamentals of fast pitch softball, while promoting valuable life skills: discipline, self-confidence, relationship building and sportsmanship.

GWGSA has been serving the Wenatchee Valley since 1999. As a non-profit organization we depend greatly on community involvement from local businesses to support our efforts. Financial support helps to provide player uniforms, scholarships, umpires, field maintenance and equipment upkeep.

Your decision to sponsor our program will give the girls in our community a chance to experience the game of softball. Please consider sponsoring GWGSA in any of the following ways:
