Aqua Yoga Basics (a)

Master the basics of how to bring the benefits of water and yoga together. Deepen your knowledge of yoga theory and explore ways to share the information in a comfortable way. Learn how to adjust any pose to make it water-friendly. (3AEA)

Yoga History & Philosophy (b)

Ground your teaching in an understanding of the history of yoga. This fascinating culture, spanning thousands of years, is ripe with stories and philosophies of encouragement and growth. Practice offering these gems of wisdom in a community bridging way to inspire students to seek beauty and inner strength in challenging times.

Get The Moves -Aqua Yoga Asana (c)

Add variety to your aquatic and yoga classes with an abundance of new poses. Bring new life to poses with adaptations to fit specific pools, populations, props and goals. Learn how to make any pose a water pose. (3AEA)

Aqua Yoga Anatomy (d)

Familiarize yourself with the intricate anatomy of the human body and how it reacts to yoga poses and practices on land and in the water. Guide students more comprehensively through poses by learning to anticipate and articulate sensations they will feel through class. (Please see 'DVD') (3AEA)

Adaptive Aqua Yoga (e)

Discuss chronic and acute physical and mental challenges and how the therapeutic nature of water and yoga can work together to bring comfort. Learn how to adjust any move to make it appropriate for specific populations. Train in encouraging students' personal awareness and acceptance to increase confidence and ease. (3AEA)

Getting Personal -Discovering Personal Practice (f)

Deepen your connection with students by developing your personal yoga practice. Enhance your teaching experience by exploring some of the many self improvement techniques yoga has to offer, from physical asana and meditation to service and gratitude. Grow with your students to create a space you will all long to return to.

Keep It Flowing -Choreography and Class Management (g)

Bring it all together with natural transitions and an enriching atmosphere. Learn to choreograph aqua yoga poses to fortify the body and ease the mind. Develop techniques of inclusiveness and serenity to shape an optimum learning environment. (3AEA)

Language & Savasana (h)

Broaden your ability to instruct students with words of encouragement and comfort. Learn to formulate and present words in ways that are both global and personal to enhance the meditative qualities of yoga. Explore the basics of Yoga Nidra, Neural Linguistic Programming, and guided meditation to facilitate a truly effective teaching style.

The following are required for certification. The DVD is not required but highly recommended for all participants in workshop d.

Paul Grilley's 'Anatomy of Yoga' (DVD)

Student is responsible for purchasing (around \$39), borrowing or renting the DVD. It should be watched and worksheet completed **before** workshop d, Aqua Yoga Anatomy.

Participate in 3 Yoga Classes (p)

One class must be 'land' yoga, one water and the third class is student's choice. Student is responsible for cost of classes. (2 free classes at PoB studio incl. with cert. package.)

Private Mentorship

1 hr freeform training, feedback and assistance with Kara. (\$60/session if purchasing separately or extra sessions. One incl. with cert. package.)
