Leuchs made the motion to approve the agenda for December 5, 2017 seconded by Naber.

Naber made the motion to approve the consent agenda, bills, receipts, financial reports, Seconded by Leuchs.

Roger Langel has been working on few different floor plans for the fire station, city hall and community room building. The building committee met last week and is still trying to work on a floor plan that is affordable and functional. Mark Lukan and Henry Westhoff present, discussion on size of building is still an issue, scheduled for next week to go tour some fire stations to get a better idea on sizes and layouts.

Mike Neuhaus has talked to our engineer Lucas Elsernd on the water pressure issue for the city; Lucas will be here this Thursday to go over solutions along with Cory Krapfl. Sewer pumps need to be repaired quote of \$6300.00 to fix both pumps and stabilize them. Motion from Naber to approve repair, second by Langel. Ayes-all.

The clerk passed out the budget worksheets for the council to work on. Discussion on the projects for the New Year and the repairs that the City needs to take care of.

It was brought to the attention of the council that an individual has been driving off the end of the new street on to the new seeding. Discussion on placing post and cables to prevent this, Mike will look into getting the necessary material to be placed to prevent this from happening again.

There being no further business to discuss the meeting was adjourned on a motion from Leuchs, second by Langel at 6:18pm.
