

THE HAGUE CHRONICLE

VOLUME 16 NO. 5

HAGUE, N.Y. 12836

MAY 1987

MILFOIL HEARINGS ENDED 5/4/87

The adjudicatory hearings on the proposal to treat milfoil in Lake George with the herbicide sonar were concluded on May 4th after 24 days of testimony. The attorneys have until May 26 to write briefs with June 9 the deadline for reply briefs. The applicants must respond to all substantive written comments that have been received on the draft impact statement that were not covered during the hearings, and then DEC and APA have a week to comment on the responses. When these records are completed, Judge Drew will make a recommendation on the permit request to the DEC commissioner. The commissioner has 60 days from the close of the hearings to rule on the request for a permit. APA commissioners will make their own decision on whether to grant a permit for all or part of the project. If all 60 days are required to reach a decision, we should know by Independence Day what decision was made. Regardless of the decision, Sonar will not be used in Lake George for some time, or never, since the chief of the Pesticides Bureau of DEC, Marilyn DuBois, has said that it has not been decided as yet if Sonar will ever be registered in New York State...ACraig

MILLION \$ BEACH TO GET 3 MILLION \$ BATHHOUSE

The Bureau of Construction and Maintenance for DEC has announced plans to demolish the 35 year old bathhouse at the Million Dollar Beach in Lake George Village and replace it with a new facility that would remove "all maintenance problems" and would meet DOH sanitation codes. There will be no expansion in the number of people who can use this new facility and the beach and parking facilities will remain the same.

This new structure will have ultra-fine shower heads in the shower room to conserve water and the stainless steel lockers in the locker rooms will not require painting. Permanent sanitary facilities to be used in the spring and fall by people launching boats are planned, as well as a lifeguard and first aid room, a summer employee room, a service area and a food service booth...ACraig

SCHOOL BUDGET

On June 10, 1987 voters will go to the polls in the lobby of the Ticonderoga High School to determine whether the proposed budget for the next school year will be passed.

There is an increase of \$477,050 in the tentative proposed budget for 87-88 - a total of \$6,735,100 including a \$100,000 planned balance to be spent in furthering the education of our students. Ticonderoga's per pupil approved operating expenditure ranks about in the middle of the 18 school districts, the high being \$6,172.59 and low, \$2,619.77. Ticonderoga's is \$3,497.28.

The following is a summary of the estimated tax rates for the coming year:

OPERATING BUDGET

| | <u>1986-87</u> | <u>1987-88</u> | <u>Increase</u> | <u>%Increase</u> |
|--------------|----------------|----------------|-----------------|------------------|
| Ticonderoga | \$110.99 | \$117.07 | \$6.08 | 5.47% |
| Hague | 34.64 | 36.54 | 1.90 | 5.48% |
| True Tx Rate | 16.10 | 16.99 | 0.89 | 5.50% |

Additional Buses

| | |
|---------------|---------|
| Ticonderoga | \$ 3.86 |
| Hague | 1.20 |
| True Tax Rate | .45 |

TOTAL BUDGET INCLUDING ADDITIONAL BUSES

| | | | | |
|--------------|----------|----------|--------|-------|
| Ticonderoga | \$110.99 | \$120.93 | \$9.94 | 8.96% |
| Hague | 34.64 | 37.74 | 3.10 | 8.96% |
| True Tx Rate | 16.10 | 17.55 | 1.45 | 8.99% |

Note: Hague's state equalization and assessment rate is approximately 42% while Ti's is around 10%. In other words the assessments in Ti are much lower than in Hague and therefore we pay less per thousand. Never fear, we are paying our share!

In a separate issue to be voted on is a new 5-year plan for school bus replacements. At the end of five years all but one bus will be less than 10 years old. The initial cost the first year is \$100,500, but goes down to \$34,650 the second year, etc.

A copy of the proposed budget may be seen in the Town Hall. DON'T FORGET - IT IS YOUR RIGHT AND PRIVILEGE TO VOTE - June 10 from 1 to 8 PM.

SPECIAL MEETINGS

A special meeting of the Hague Winter Carnival Committee will be held on Wednesday, June 3, 1987 at 7:30 PM in the Town Hall. The purpose of this meeting is to discuss the Mary C. Beste Scholarship Fund.

THE HAGUE CHAMBER OF COMMERCE will hold a meeting on Monday, June 8 at 7:30 PM in the Town Hall. All members are strongly urged to attend.

A meeting of the Beste Scholarship Committee will be held on May 27 at 6:30 PM at the Town Hall.

CARILLON GARDEN CLUB FLOWER SHOW

The Carillon Garden Club will hold its annual standard flower show on June 13, 1987 at the First United Methodist Church on Wicker St. in Ticonderoga, NY.

Judging will take place in the morning and the doors open for the public at 1 o'clock until 5 o'clock.

The flower show has always been a very popular activity of the Garden Club and the many floral arrangements and horticulture specimens are just some of the ways the women of the club display their many talents.

The public is cordially invited to attend and enjoy.

The next activity of the club will be the annual bazaar held at the Hancock House Lawn on August 8. Mark your calendars now! DHenry

SANITARY LANDFILL SCHEDULE

For those of you who didn't know, or who have forgotten, we are reprinting the schedule of the Sanitary Landfill:

May 25 - June 27 - open daily EXCEPT Thursday, 9 AM to 5 PM

June 28 - September 12 - open daily, 9 AM to 5 PM.

September 13 to May 22, 1988 - open daily EXCEPT Thursday and Friday, 9 AM to 5 PM.

YOLUNTEER DRIYERS NEEDED

to transport senior citizens to doctor's, etc. Mileage is paid by the county. Please call the Town Hall for information and hopefully to volunteer.

The posters which have been submitted for the Ticonderoga Festival Guild program book are on view at Champlain Valley Savings & Loan in Ti. These have been done by several North Country artists.

THE TROUT HOUSE VILLAGE RESORT, located in the center of Hague has been included in the 1987 edition of the Mobil Travel Guide. To be included in these best-selling travel guides, an establishment must meet the exacting standards of the Mobil Travel Guide inspection team. TROUT HOUSE VILLAGE has been included in the Mobil Travel Guide for seven consecutive years.

MOSES LUDINGTON HOSPITAL BENEFICIARY OF TRUST

From the estate of ROBERT HAVEN FALCONER, the Moses Ludington Hospital was the beneficiary of a trust in the amount of \$291,837.00.

Mr. Falconer's will provided that the funds to the Moses-Ludington Hospital are "for the unrestricted use of the hospital." He also states that the nearly \$300,000 be in the memory of his mother, Dorothy Putnam Falconer and friend Hattie Bartlett.

The Falconers were long-time residents of Sabbath Day Point and Hattie (Mrs. Gillette) Bartlett was well known to all the "old-timers" in Hague and Sabbath Day Point, where she lived most of her life.

NEW DOCTOR JOINS MLH STAFF

Moses Ludington Hospital is pleased to welcome Dr. Mark Hoffman, Hematologist-Oncologist, to the Consulting Staff.

Dr. Hoffman is a Board Certified Internist, receiving three years of fellowship training in hematology-oncology at the U. of Rochester and Baystate Medical Center.

Dr. Hoffman will be treating patients who are referred to him by their local physician. Hematology is the treatment of blood diseases and Oncology is the treatment of cancer.

FROM SUPERVISOR BOLTON'S NEWSLETTER 4/20/87: "At this time I would like to formally announce my candidacy for the position of your Supervisor for the next two years. There are many projects in which I have been involved, that will affect the Town of Hague in the future and I feel committed to follow these through to a sound completion, such as the Milfoil problem, the building of the Resource Recovery Plant in Hudson Falls and the Cluster type sewer system for the Town.

TOWN BOARD - 5/12/87

Supervisor Bolton welcomed five guests and two reporters and gave them the privilege of the floor. Karen Laundree asked if the APA had made a decision on the rezoning of the Frank Carney property at Sabbath Day Point. Mr. Bolton stated that they had not yet reached a decision and would hold a public hearing in Hague on the issue before they do.

A letter of resignation was received from Zoning Administrator William Foster. He plans to move from Hague and will not be able to continue in that capacity after May 31. If anyone is interested in filling this position, applications are available in the town hall. The applications and resumes must be submitted to the supervisor's office before June 2.

Permission was granted to have the Highway Department assist the Fire Department during the BASS Tournament on June 20 & 21.

A letter was received from Jim Kenealy, Outdoor Writer for the Albany Times Union, inviting all the Warren County Supervisors to go fishing with him on his boat during the BASS Tournament.

The Consent Orders regarding the closing of the Sanitary Landfill have not as yet been signed, due to the lack of clarification of the liability involved.

C.I.D. Refuse Service wrote a letter to the town about what they can do as far as handling refuse. Supervisor Bolton is inviting a representative from this company to a meeting on June 2 to present the facts to the Board.

On March 23, 1987 an inspection of the Landfill was held with two criticisms: operating solid waste landfill without a permit and having refuse protruding through cover.

A letter from Tom Pinto, Equalization and Assessment. We are behind schedule on the revaluation. He states that we have failed to put adequate manpower into the field and disapproves of the way the data is collected. Dave Martucci, who has been in charge of the Revaluation project, addressed some of the criticisms. Both he and Mr. Bolton agree that the job takes a longer time because of the nature of the area but when it is complete it will be invaluable to the town because the property cards will be accurate. Last year \$2,000,000 in assessments were picked up and they expect to pick up another million this year. These are new buildings and buildings which have been added on to etc. which had never been re-assessed.

Warren County Board of Supervisors have approved a plan to hire an engineer to go to all landfills in the county to help with the process of closing

The local committee for the celebration of the Bicentennial of the Constitution is headed by Laura Meade. She reported that on August 14 at 6:30 in the Town Park The Fort Ticonderoga Fife and Drum Corps will present a concert. On the same day, the people of Hague are being asked to display flags, particularly old, unusual, or large flags. A short history of Hague is being prepared and will be handed out that day.

Jim Braisted reported on the Little Folks of Hague Nursery School. It is impossible to obtain insurance for a nursery school at an affordable amount. The committee is open to suggestions.

About 74 junk cars have been hauled to Tink Snow's on Dodd Hill Road. May 13 is the last day the town crew will pick them up. A new ordinance addressing the problem will be forthcoming.

Jim Braisted announced that Tim Strum and Jeff Plass will be the summer park attendants. Blythe Leonard will be one of the life guards. THE POSITION OF THE SECOND LIFE GUARD IS OPEN. The qualifications may be gotten from the town secretary.

The town is looking for a source of supply for sand for next winter.

A hearing will be held on June 2 at 6:30 on the revisions of the Sanitation Code. Mr. Patchett addressed the board in regard to some of the changes that have not been addressed.

WAMCO, a refuse company has been dumping more than Hague refuse in the Sanitary Landfill. They have been reprimanded and were told if they continued to operate in this manner, they would be refused the use of the landfill.

The following resolutions were introduced by the supervisor and passed by the Board:

Res. #12 - An application to NYS for \$30,000 in funding to improve Hague Boat Dock.

Res. #13 - Town Board authorized the Highway Dept a sum of \$35,000 for improving Split Rock Rd. (\$10,000) and Decker Hill Rd. (\$25,000).

Res. #14 - Transfer \$2,160 from General Contingency Fund to Unallocated Insurance. (Due to increased value of equipment)

Res. #15 - Authorizes public hearing on the proposed revisions of Sanitation Code.

A discussion was held on the care of the Hague Cemetery. It was pointed out that this is A PRIVATE CEMETERY and has been maintained by the town for many years as a goodwill gesture. This matter will be looked into further to determine what the town's responsibilities are....DHenry

HAGUE PLANNING BOARD 5/7/87

The Hague Planning Board held a Public Hearing on the proposed conversion of the Silver Bay Lodge Commercial establishment to 20 Town Houses on the approximately 3.7 acre site. The applicant's name on this proposed project is "Silver Bay Town Houses, Inc." and signed by Robert L. Katzman and the owner's name is "Uncas Bay Realty Inc.", c/o R. Martucci, Split Rock Rd., Hague, NY. Mr. Katzman, representing the owners, explained that since the property is located in a basically residential area, the conversion from commercial use to residential use would be more in keeping with the area. He also felt that permanent owner residents are preferred to transit users staying at a commercial establishment since owners have a long-term financial interest in the area. All existing structures would be demolished and replaced by 5 new structures, each containing 4 residential 2 bedroom units with each selling for a minimum of \$300,000. Presently, 9 1/2% of the land area is covered by structures and the proposed Town Houses would result in 12.4% coverage, according to the applicant. Primary and secondary sewage disposal areas would be constructed at the westerly portion of the property to DEC and DOH specifications.

All members of the public who addressed the board on the above subject were opposed to the proposed project as presented, as were the writers of letters to the Board that Chairman Costello read.

At issue is the basis for the conversion from the existing use to the number of proposed housing units and the interpretation of section 9.020 of the Hague Zoning Ordinance which states: "Those structures existing on the effective date of the Ordinance that are associated with resort hotels, rental cottages and group camps should be allowed to be converted from their previous use to individual single family residence use, not withstanding the fact that such structures, as converted, do not conform to the provisions of this Ordinance or the Shoreline Restrictions." The applicant proposes to convert 36 tourist rooms to 20 Town Houses.

Rick Hoffman, a representative of A.P.A. also attended this meeting and spoke on the A.P.A.'s rules and regulations concerning conversion of existing structures which basically allows a structure to be converted from its present use on its present site to a single family residence. There is also a provision that may be considered which would allow one residence per 1,250 square feet of net interior floor space for larger buildings in addition to one unit per cabin or cottage.

Chairman Costello suggested that The Zoning Board of Appeals should interpret the meaning of Section 9.020. The Public Hearing closed at 8:230 PM.

At the regular meeting, the Sause/Ulery minor subdivision was conceptually approved subject to the receipt of the certified surveyor's Mylar of the subdivision showing the finalized lot lines in compliance with our ordinance.

A public hearing was scheduled for June 4 at 7 PM on the minor subdivision of Jane Waitt's property on Sabbath Day Point, and on the resolution requiring applicants to submit items to be included on the Planning Board agenda to the Planning Administrator the Friday prior to the next Thursday's meeting.

Wetland maps for the Town of Hague are now on file in the Town Hall. (Special regulations apply to lands designated as wetlands and this will aid the Board in making the proper decisions on approval or disapproval of applications)...ACraig

ZONING BOARD OF APPEALS 4/23/87

The hearing on the application of Pamela Peterson for a variance to permit building of a house in excess of the 30' height limit was held at 7:15 PM. Since the second application was basically the same as the first the ZBA felt they needed more information. The application had been disapproved by the Hague Planning Board and by the Warren County Planning Board. The Board felt that the hardship was one that had been created by the subdivision of the property. A motion was made to delay the vote for 30 days so that they may receive more information from the NY State Building Code and if possible from the applicant...DHenry

HAGUE FISH AND GAME CLUB

Don't forget the meeting at the clubhouse on May 19 at 7:30 PM. This meeting is to consider the possibility of starting a program of shrubbery planting to feed deer and other wild life. There will be two conservation officers at this meeting to explain the program and answer questions. You do not have to be a member to attend the meeting. For more information, call 543-8859...B. Yaw

**NEXT SCHEDULED DATE FOR POWER
OUTAGE IN THIS AREA IS JUNE 23
FROM 9AM to 3PM**

This is necessary to do major repairs
and to improve the service to Niagara
Mohawk customers.

PROCLAMATION FOR PHYSICAL THERAPY WEEK

WHEREAS, the American Physical Therapy Association is observing a national physical therapy week entitled "Physical Therapy - Health Care in Motion" and observation of this week is calling special attention to the contribution of physical therapy toward improving the quality of life for the disabled, ill, Americans of all ages, and

WHEREAS, the goals of the Moses Ludington Hospital Physical Therapy Department are to achieve better lives for our disabled citizens and to promote preventative measures to keep all citizens healthy through improvement of education, practice and research, and

WHEREAS, the Moses Ludington Hospital Therapy Department plays an integral role in continued efforts to assist disabled citizens and holds steadfastly to its commitments to secure better health for all our citizens, NOW, THEREFORE, BE IT

RESOLVED, that I, Richard E. Bolton, Supervisor for the Town of Hague, County of Warren, State of New York do hereby proclaim the week of June 21 to June 27 as PHYSICAL THERAPY WEEK and urge all public officials and private citizens to join with the physical therapy professions to secure better health care for all our citizens.

DULY ADOPTED BY THE HAGUE TOWN BOARD ON THIS 12TH DAY OF MAY, 1987.

SEAL /s/ Mary Alice Hall, Town Clerk

AMERICAN LEGION

Memorial Day will be observed by Hague Post 1538, American Legion, on Saturday May 23, with ceremonies scheduled at 10:00 AM at May Memorial cemetery featuring a brief address by past New York State American Legion Commander H. Gordon Burlaigh, followed by similar services at Hague cemetery. Bronze plaques honoring our deceased war veterans are expected to be in place on the large boulders at each cemetery, and will be dedicated at this time. All Legionnaires plus the general public are invited to attend.

On Sunday, May 24, Post 1538 will hold the annual spring steak roast at the Legion home for members and guests, at which time 3 winners of the building fund 50-50 club will be drawn. A few tickets are still available from Legion members.

The next regular monthly meeting of Post 1538 will be held at the Legion home on Wednesday June 3 at 7:30 PM. Refreshments will be served following the business meeting. The post officers would also like to remind local residents that American flags are again being sold by the post..Order Yours today. Contact Bernie Clifton, 543-6501 or Ray Laundree, 543-6675.

FRIENDS OF THE LIBRARY

John McDonald, president of the Black Watch Library Board introduced Stan Vickers to an opening meeting assembled at the library. Mr. Vickers, substituting for Hans Katzenstein who proposed the idea of "The Friends" explained the basic aims of such an organization...citizens interested in promoting the welfare and growth of their library, enriching its resources, making its services better known.

A steering committee has been appointed which will include members of the Library Board, a high school student, a representative of NCCC and members of the community.

Hague, like other neighboring communities who have no "public library", is fortunate to have the Black Watch Memorial Library nearby. Forms describing the scope of Friends of the Library and to fill out as a prospective volunteer are available at the library. Black Watch Library was founded originally as part of the Free Libraries established through an Andrew Carnegie Foundation.

VISIT YOUR LIBRARY! BORROW A BOOK! READ WITH YOUR CHILDREN! READ ALOUD! OFFER TO HELP ENRICH THE LIBRARY SERVICES! Your present, your future and your pleasure all can be "read" in a book....BDeGraff

HAGUE HIGH HOMECOMING

The classes of 1959-1965 are having a high school class reunion July 24-26, 1987. If there are any former students in these classes that have not been contacted and wish to attend, please contact:

Judy (Waters) Kenna (518) 654-6564

or

Jackie (Lambert) Fort (518) 543-6405

There will be a street dance held Friday, July 24 from 9 PM - 1 AM at the Hague Town Park for the community.

WILLY C'S APRIL/MAY WEATHER NOTES

A magnificent May 13th day. Bright blue sky, crystal clear water with no wind. Spring green colors have moved almost to the top of the mountains. Leaves are beginning to fill out at the lower levels. I would think most of our feathered friends are back, having seen a great array of water and land species since last month, possibly a few more to arrive. Haven't seen any Cedar Wax Wings yet.

April's highest temperature was a beautiful 81° on the 18th. The low, lake level, 21.5° April 2. Top wind gust, 48 MPH on the 21st. 5.5 inches of snow for the month, most of that falling on the 1st. We gained 1 hr. and 24 min. of daylight for the month.

May, so far, has been great. Nine of the first thirteen days have had beautiful sunshine for at least half of each day and of course today is spectacular. You see it really doesn't always snow and blow when these notes are written. Wind direction has still tended toward the north-north east with top gusts between the mid-twenties and low thirties. Unlike other portions of New England and the Northeast, precipitation continues to be below normal. Temperatures have been between the mid-sixties to mid-seventies during the day, thirties and forties at night. Nothing shabby about that. The water temperature, at the two foot level May 13th at 10:45 AM is 48°, the air temperature 54° F. Spring is in full bloom. Even the black flies and other creatures of equal annoyance at this time of year are not too overbearing, thus far, so come on back and enjoy.

SENIOR CITIZENS CLUB 4/28/87

Mr. Driscoll from the Community Action Center in Lake George spoke to the seniors on some of the programs that are available through the Community Action Program.

One of the programs which should prove very useful to senior citizens of Hague is the Handyman Program. This provides free labor for any kind of simple repairs. Materials are the responsibility of the individual requesting help. For anyone 60 or over this is an invaluable service which can be had by calling Jim Baker at the Warren County Office for the Aging, or the Community Action Center at 793-0636.

The Winterization Program is an eligibility program. One must meet certain criteria to be eligible to use this service. The guidelines are

the same as for the heating assistance program.

They also operate the Food Pantry, which is for emergency use only and is available in Hague.

The Community Action Center is a private non-profit organization, not a county agency. For more information on their services, or applications, see Diane at the Town Hall.

The next meeting of the Hague Senior Citizens Club will be on May 26 at 1:30 at the Town Hall. Any person 55 years of age or older is invited to attend.

...DHenry

HVFD NEWS

The Hague Volunteer Fire Department has taken on a new appearance. Members of the Fire Company were recently issued their new fire fighting turnout gear. Red has replaced the old black for better visibility and safety. This gear is designed to provide maximum protection for its wearer in a fire situation. Let us hope we never have to prove its worth, however, it is a comfort to know that we are able to do our job with as much personal safety as possible.

A state approved First Responses course began in Hague this month. This is a coordinated effort among five counties in the mountain/lakes region. Graduates will become state approved first responders and may proceed toward Emergency Medical Technician certification.

We express sincere thanks to Mr. George Beck of Hague. Mr. Beck made possible a grant to the HVFD of \$1,000.00 from The EXXON Company's U.S.A. Involvement Fund. This fund awards grants to volunteer organizations EXXON employees participate in. The grant money in this situation will be used toward the purchase of two complete Scott Air Packs.

Because of the resort and vacationing nature of Hague it should be remembered that basic fire safety rules should not be left at home or back at the office. Travellers should remember fire safety habits. EDITH (Exit Drills In The Home) should be used when travelling whether in a summer residence or hotel or motel. We would urge Hague's hotel/motel proprietors to consider fire safety habits throughout their businesses and make their guests familiar with some basic fire safety regulations in their rooms.

LET US HAVE A FUN SAFE SUMMER!!

SOUNDINGS

BORN - a girl, Margaret Rose, to Dr. Michael and Kathy (Viscardi) Martin in Rochester, NY on April 10. Her maternal grandparents and godparents are Dominick and Rose Marie Viscardi, Hague and Ticonderoga.

BORN - a girl, Gabrielle, to Eric and Holly (May) Frasier on May 5. Grandparents are Kathy May and Gordon May and Pat Frasier. Great grandparents are Mr. & Mrs. Edward Yaw, Hague.

MARRIED - Jennifer White, Columbus OH, to David "Chip" Comstock, Jr., Columbus and Silver Bay on May 16 in Youngstown, OH. Chip is the son of Mr. & Mrs. David Comstock, Sr. of Sabbath Day Point and Youngstown, OH and is a member of the Hague Volunteer Fire Department.

BETHANY ANN WELLS, daughter of Mrs. Edward Watts and Walter Wells, Hague, has been chosen the RESORT SERVICES STUDENT OF THE YEAR at BOCES. Beth has maintained a 90 average for the two year period and has shown professional prowess in many areas. She has been accepted in the Chef's Training Program at Adirondack Community College where she will pursue an Associates Degree.

Beth, along with Hague BOCES seniors in the Resort Services Program, Marina Barnaby and Joanne Stormer attended a professional food show sponsored by Quandt's Distributors in Saratoga Springs on April 27 after which they toured the Chef's Training Facility at ACC.

LIZ MONROE, daughter of Joyce Monroe, Hague, has been accepted at Adirondack Community College in the Secretarial Science Course, beginning May 26.

Our congratulations to the following college graduates:

TINA BELDEN - daughter of Mr. & Mrs. Daniel Belden, on May 16 from Texas Tech in Lubbock, TX with a BS degree. She will be teaching in Texas next year.

BETH BOLTON, daughter of Mr. & Mrs. Richard E. Bolton on May 15 from SUNY at Oneonta, NY, with a BS degree in Home Economics. She will pursue a career in Hotel Management.

LISA COFFIN, daughter of Mr. & Mrs. Michael Coffin, on May 16 from ATC, Canton with an associate degree in Data Processing. She has accepted a position with the Hackensack Hospital, Hackensack, NJ.

HAGUE HONOR STUDENTS

The following students from Hague are listed on the Honor Roll at Ticonderoga High School for the fifth marking period:

First Honors: RENEE LAROCK; JASON PLASS; JANET ROSS; AMBER STULL; BETHANY WELLS

Second Honors: MARINA BARNABY; MICHELLE BARNABY; CHERYL COBB; ROBERT GAUTREAU; MICHELLE GOETSCH; KARA REYNOLDS; FRANK SERDINSKY

CONGRATULATIONS TO YOU ALL!

SUMMER JOB EXCHANGE

THE HAGUE CHRONICLE has received requests for the names of people desiring part-time work during the summer months. If you would like to obtain work that involves yard and household duties, babysitting, etc., please send your name, age (if under 18) address and telephone number and type of work wanted to the Hague Chronicle, or call our editor, Mrs. Margaret Broderick, 543-6104.

Only one name has been submitted so far - Maureen Denno would like to be a Mother's Helper. Her number is 543-6336.

One local business - Bee's Knees Pizza Shop, Silver Bay, is looking for a responsible student for the summer. Telephone 1-587-3708.

Another local business - Ward's Marina/Dockside Boat Rentals and the Dockside Restaurant will be hiring full and part-time help. Some jobs are available now through October. Cooks, waitresses/waiters, bar tenders, and a head chef are all needed for the restaurant. The Marina will be hiring certified marine technician, apprentice mechanics, and all-around marina workers. Some of these jobs would be particularly appropriate for senior citizens or retirees. High school juniors and seniors, or college students are urged to apply.

Hague Town Justice Kenneth Yaw needs a part-time clerk immediately. Contact the Town Hall for information on this position.

Ed: We are not an employment agency - just trying to be helpful in getting two needs together.

CALENDAR OF EVENTS - MAY AND JUNE 1987

May

- 19 GRIEVANCE DAY - Town Hall 4 - 8 PM (p5)
- 19 Fish and Game Club - Clubhouse- 7:30 PM (p4)
- 20)Assessors will be in Town Hall to review data
- 21)mailers with home owners. (p5)
- 22)
- 21 Senior Citizens Bus to Glens Falls
- 21 Carillon Garden Club - Church of the Cross -
11:00 AM
- 25 MEMORIAL DAY celebrated
- 26 Senior Citizens Club meeting - Town
Hall- 1:30PM
- 27 Beste Scholarship Fund meeting - Town Hall- 6:30
- 28 Zoning Board of Appeals - 7:30 PM - Town Hall

Veterans Administration representative is in Town Hall every Thursday at 11:30 to answer any questions from veterans.

June

- 1 Fire Department meeting - 7:30 PM - Firehall
- 2 Town Board Public Hearing- 6:30 PM - Town Hall
(see p3)
- 3 American Legion - 7:30 PM
- 4 Senior Citizens Bus to Glens Falls
- 4 Planning Board - Public Hearing 7 PM; regular
meeting to follow
- 5 Tentative date for SC and HHS trip to Saratoga
Springs
- 9 Annual meeting Board of Education - 7:30 PM
- 9 Town Board - 6:30 PM - Town Hall
- 10 Vote on proposed school budget in high school
lobby from 1 - 8 PM (see p1)
- 13 Carillon Garden Club Standard Flower Show -
First United Meth. Church, Ticonderoga (see p2)

Good advice is a four-letter word: **WORK**

The country would be in much better shape today if we had continued to work as we did in the beginning. The work ethic is needed today as never before in the USA. Pity the poor soul who doesn't know the joy of work!
....Sara B. Clark
