President Andy Manthei called the meeting to order at 6:01pm

1. Old Business:

- a. Board member background checks are completed.
- b. Two hours of volunteer hours will be given to parents who join booster club and come to a meeting. Michelle Karr will build a spreadsheet to keep track of that. We will also be raffling off tickets for athletic events to get more people to attend booster club meetings. Four tickets is the maximum you can win.
- c. Paypal and Venmo accounts are setup to be used. Trying to work on a system to use at games.
- d. The booster club will be buying two banners to use at all school functions, Inetta was not at meeting to get the latest information.
- e. The booster club would like to be able to put flyers at local businesses. Christy Jones is taking on that task, but was not at meeting to discuss results.
- f. The homecoming parade was a huge success, thanks to everyone who helped out.
- g. The booster club has been using social media to reach out to the Central community with great success. Brandi Gutches has done a wonderful job of keeping everyone informed on major athletic events. Kim Molandes will be reaching out to Mr. Hinson to put booster meeting information in his newsletters.
- h. Michelle Karr will make a spreadsheet of all team liaisons. Teams that do not currently have a team liaison are wrestling, freshman football, girl's track and field and boy's track and field.

- i. The booster club would like to do a fundraiser and it will be discussed at the November meeting. Jersey Mike's has expressed interest in wanting to do a fundraiser.

2. New Business:

- a. Coach Sledge has asked the booster club to purchase padded plyo boxes for the gym. The board has agreed to vote on this topic in the general meeting. **Jessica Mason has motioned for the vote to take place, Sandra Antwine has seconded the motion. The motion passed unanimously.**
- b. The varsity girls basketball team would like to request the booster club pay for \$500 of their hotel fees for an upcoming tournament. In order for this to be approved, the team must have \$500 in their sub-account and get approval from Dave Maher, Eric Persyn, and David Hinson. Coach Helsley will be contacting the three administrators to get their approval. This will be done as a case by case basis and will not be something they do for every sport all the time. **Sandra Antwine made a motion to go to administrators to get approval. Steve McIver seconded the motion. One board member was opposed, it passed.**
- c. Annual and weekly programs are doing well. The annual sports programs will go out October 25. Some sponsors haven't sent in their money, Andy and Daniel will be contacting them to get their checks. Stacey has \$5000 in sponsorships and 20 senior ads so far. National Honor Society kids will be helping to sell the weekly programs at games. They will also try to sell them on the visitor side since their rosters are in there as well.
- d. Spirit wear sales will be discussed at the next meeting when Inetta is in attendance.
- e. Open Discussion: Girl's basketball had a great turnout to help in the concession stands at the football game. The cheese machine on the home side is broken and needs to be replaced. Grace is reaching out to the volleyball team to get the November 9 concessions on the visitors side covered. A device is needed to charge cards during games so a board member's phone doesn't have to stay behind. Two refurbished tablets and a wifi extender are needed. Andy is doing more research to accomplish this and will get with Eric Persyn to get access to the press box to get internet in concessions.

Meeting was adjourned at 7pm

Next meeting date - November 12, 2018
