The Pierceton Chamber of Commerce is proud to announce the August 2019 Member of the Month winner as Walls Building Incorporated.

Walls Building specializes in new home construction, home and industrial remodeling, tree transplanting and in the sale of bulk landscaping supplies such as mulch, stone and dirt. Walls Building is also responsible for the maintenance and leasing of several apartment complexes in the area such as Edgewood Pines Apartments and Oakwood Circle Apartments both located in the Pierceton community.

Walls Building was established in 1966 in Claypool, Indiana by Doug Walls with a mission to provide high quality construction and remodel at an affordable cost. After graduating from high school, Breck Walls then joined his father in the business in 1980 where it has remained a father-son team since. Doug spoke of the importance of this father-son team in stating "The company wouldn't be where it is without the leadership of Breck. I am proud of where he has continued to grow this company."

Moving from Claypool in 1986, Walls Building has always had an important connection to the Pierceton area. "It really is because of our customers that we have been able to be so successful." Breck stated, "We truly are very grateful for their continued support." Doug further this by stating, "If we commit to it, we will follow it through."
