THE SAN LUIS OBISPO LOCAL AGENCY FORMATION COMMISSION

Notice of 45-Day Public Review and Intent to adopt a Sphere of Influence Update and Municipal Service Review for the City of Atascadero

Project Summary. The Local Agency Formation Commission (LAFCO) determines the Sphere of Influence for cities and special districts in the County San Luis Obispo. A Sphere of Influence (SOI) is defined by Government Code 56425 as "...a plan for the probable physical boundary and service area of a local agency or municipality..." The Sphere of Influence Update and Municipal Service Review for the City of Atascadero identify the areas where future annexations might be considered and evaluated. The Municipal Service Review evaluates the City's capability to serve existing and future residents and is the basis for Sphere of Influence decisions. The SOI for the City of Atascadero will not change from the existing SOI. The City's existing Sphere of Influence is located in the unincorporated area and is approximately 3,500+/- acres.
